"I wash all my dainty things with LUX"

"It only takes me a few minutes at night in my own room to wash out my silken underthings, silk stockings or my daintiest blouses and smocks in a bowlful of the gentle, bubbling Lux suds.

I just dip them up and down in the basin, pressing the rich Lux lather through and through them, and when they are dry, they look just as fresh and beautiful as when new."

Lux will not harm anything that water alone will not harm. No fabric so fine nor lace so delicate that it cannot be washed with Lux.

JOHN ROBINSON CIRCUS AND TRAINED WILD ANIMALS TO VISIT THIS TERRITORY.

Circus enthusiasts of this community are keenly interested in the appearance of the John Robinson Circus and Trained Wild Animals in Belleville, on Thursday, June 14th, afternoon and night, as no circus creates so much pleasure and joy among its patrons, as a visit of the "Oldest and Best."

The John Robinson Circus and Trained Wild Animals are now on the 100th annual tour, and the centennial program embraces features and novelties, never presented before by any tented organization. Thousands of dollars were spent this year in purchasing trained animals from European, as well as African and Asiatic dealers, and with the assistance of old "Dr. Stork" at the winter quarters in Peru, the John Robinson management asserts its superiority in savage trained beasts, and also the largest baby zoo in the universe.

The John Robinson performance this year will be presented in three rings, a double steel arena, and on the Roman Hippodrome track. The usual high standard in equestrianism has been maintained this year and featured among the riders will be the Rudy Rudynoff Trio, the Ben Griggs Family, and Miss Mary Bedini, declared to be the premier women rider of the globe.

As usual, a grand and gorgeous street parade, will be offered in the morning at 11 a.m. Advance representatives of the circus declare more open dens of wild beasts and birds of prey are exhibited in the procession, and more beautiful girls, and thoroughbred horses, than that presented by any in other "white top" pageant.

We will guarantee $5.00 worth of B. & H. English Paint to spread farther, look better, and wear longer than $5.00 worth of any cheaper grade advertised. B. & H. for sale at Wallace's.

One of The Big Reasons For Closed Car Popularity

ONE of the biggest reasons for the recent great popularity of the closed automobile among all classes of motorists is this Chevrolet *Superior* Sedan. Its low price and economy of operation have put it within the reach of all and have made it an ideal second car for the man with a large, high-priced car of expensive upkeep.

The tremendous sale of the New *Superior* Models has made them the fastest-selling, completely-equipped, quality cars in the world. This has meant that production costs have been lowered to such an extent that they are now the lowest-priced quality car in the world.

When it is also remembered that Chevrolet costs less to operate than any other car in the world, its phenomenal popularity is easily understood.

These Quicker Shaves Mean Younger Faces

Ordinarily, shaving ages the skin—adds years to a man's looks. By giving them a shaving cream soothing to the skin, we wiped years from millions of men's faces.

At the same time we cut down shaving time for them.

We spent 18 months—made 130 experiments—perfecting a cream with 3 distinct advantages:

It softens any beard in one minute—without rubbing-in.

Multiplies itself 250 times in rich lather.

Lather lasts if necessary, 10 minutes—doesn't dry away.

Strong-walled bubbles hold hairs *erect*—for easier cutting.

And the after-effect is lotion-like—skin-soothing.

That's why millions of men today use PALMOLIVE SHAVING CREAM. We ask you to try it at our expense. Test for yourself the truth of our claims.

Mr. Frank Henderson, who underwent an operation on his eye in the Kingston General Hospital, recently, has returned home and is gaining nicely.—Miss Pearl Sexsmith, who recently underwent an operation for appendicitis, in the Kingston General Hospital, is also improving.—Mr. Wm. Hartman is visiting his niece, Mrs. Agnes Sharpe.—Miss Rose McCormick, of Sillsville, spent last week end at Wm. Brown's.—Miss Edith Calver, of Napanee, spent Sunday with her parents, Mr. and Mrs. Henry Calver.—Charles Calver, of Campbellford, is spending his holidays with his parents, Mr. and Mrs. Rogert Calver.—Her many friends were shocked to hear of the sudden death of Mrs. Henry Raworth, who passed away very suddenly on Thursday evening last. Although not in the best of health for several years, the end was entirely unexpected. The funeral was held in St. John's Church, on Saturday afternoon, at 2.30 o'clock, by Rev. W. T. Swayne. Interment was made in St. John's cemetery. Besides her husband, she is survived by two brothers, Messrs. Charles and Albert Davy, of this village, and four sisters, Mrs. P. C. Macnee, of Picton; Mrs. Geo. Johnson, of Napanee, and the Misses Henrietta and Ruth Davy, of this village, all of whom have the sympathy of the community.

How to Make Delicious Strawberry Jam

Select small to medium-sized, fully ripe berries. After hulling, weigh out 2 lbs. berries. Measure 7 level cups (3 lbs.) sugar into small separate pan. Spread about one-quarter of the berries on their sides in single layer on a platter and gently press each berry to a thickness of ¼ inch with bottom of Certo bottle. (This leaves skins nearly intact, but ruptures fruit inside and makes it hollow, allowing boiling sugar to saturate tissues quickly.) Transfer pressed berries to large kettle, and cover with layer of sugar. Repeat this operation with all the berries, placing layers of pressed berries and sugar alternately in kettle, putting balance of sugar on top. Then add juice of one lemon, or preferably 1 teaspoon of powdered tartaric or citric acid. This addition promotes a quicker set, thus keeping the fruit evenly distributed in the jam.

Let stand over night, or at least 5 hours, so that part of the sugar will be dissolved and mixture can be stirred and cooked without crushing fruit. Use hottest fire and stir constantly before and while boiling. Boil hard for three minutes, remove from fire and stir in ½ bottle (scant ¼ cup) Certo. From time jam is taken off fire allow to stand not over 5 minutes, *by the clock*, before pouring. In the meantime, skim and stir occasionally to cool *slightly*. Then pour quickly. If in open glasses paraffin at once. If in jars seal at once, and invert 10 minutes to sterilize the tops.

For Crushed Strawberry Jam see Certo recipe booklet.

IN MEMORIAM.

In loving memory of Mrs. James Cuthill, who departed this life June 5th, 1921.

Soft she heard the angel calling,
And her spirit took its flight,
As the shades of evening falling
Deepened into quiet night.

Now she rests: her toiling o'er,
Sleeps the sleep that knows no waking,
Though we see her here no more,
Ever shall our thoughts be taking
Wing to that far distant shore
Where there is no pain or sorrow,
Only peace, forever more.

So, in memory cherished,
As the years roll, one by one,
All her children call her blessed.
Now she rests, her life work done.

—Husband and Family.

IN MEMORIAM.

In loving memory of Henry Miles Snider, who departed this life on May 29th, 1922.

Sadly missed by Wife, Son and Daughters.

Quinte Branch Meeting Of W. M. S.

The 30th annual meeting of the Women's Missionary Society of the Methodist Church (Bay of Quinte Branch) will be held in the Methodist Church, Cobourg, June 5th, 6th and 7th. Mrs. J. W. Down and Mrs. A. D. Leonard are delegates from Yarker Branch attending this meeting.

Splendid Address.

Miss Constance Boulton, President of the Toronto Women's Liberal Conservative Association, is at present in Napanee, assisting Mr. Hamilton with the organization of the Conservative campaign in Lennox. On Saturday last she addressed a meeting in the Town Hall, and gave one of the finest political addresses that has been heard in Napanee for many a long time. Miss Boulton has also been called on from Prince Edward Co., and was in Picton on Wednesday. She was responsible in a large measure for the success of the women's organization which helped roll up a large majority for Mr. Hubbs in Prince Edward in the last Federal election. Miss Boulton has a very pleasing platform presence and is a fluent and polished speaker. A Toronto Boulton, she has the history of the political parties at her fingers' ends, and gives a most thorough and convincing appeal to the electors to support the Conservative party in this election. Not only does she support Mr. Hamblyn in his firm stand on the enforcement of the O. T. A., but she demonstrates the weakness of the Drury government, and the lack of policy of the Liberal party in a thorough analysis of the acts and motions in the legislature for several sessions.

WOMEN'S FANCY LISLE HOSE, 75c. PAIR.
Mercerized Fancy Ribb Lisle Hose. These have wide tops, are full fashioned, seamless, 4-ply heel and toe. Colors Black, White, Sand, Grey.

An Irishman was seated in a train beside a pompous individual who was accompanied by a dog. "Foine dog ye have," said the Irishman. "Phwat kind is it?" "A cross between an Irishman and an ape," the man replied. "Shure an' it's related to both of us," the Irishman replied.

WOMEN'S LONG SILK GLOVES, $1.75 PAIR.
16-button length long Silk Gloves, in White only. These are good quality, finger tips double, 2-dome fastenings at wrist. Sizes 6½, 7, 7½.

THIS IS TO BE A SUMMER FOR SWEATERS. DOZENS OF STYLES IN AS MANY COLORS AWAIT YOUR CHOOSING
To be smartly clad, you must own at least several Sweaters. It makes but little difference whether you play or go to watch the play, Sport Sweaters are extremely correct. Styles are simple enough, but there are varieties galore in weaves and colors.
Silk and Wool, as well as Mohair and Silk Yarns are being extremely used this season. These are fashioned in Pullover and Tuxedo Sweater styles.
Pure Wool Sweaters come in Pullover and Coat styles of surprising smartness of line. Prices range from $1.98 up.

SILK PULLOVERS, $3.69.
These cool Fibre Silk Sweaters come in an openwork novelty weave. They are styled with an oval neck-line, long sleeves, and all-round belt. Obtainable in colors of Gold, White and Red.

ALL WOOL PULLOVERS, $3.69.
The definitely defined V neck-line of this Sweater is its outstanding characteristic. Aside from this the weight and weave is just right for summer. Comes in Jade, Rust, Orchid and Sand.

SILK AND WOOL PULLOVERS, $3.39.
This Sweater is knit from very fine Wool in a ribbed style. A fine White Silk thread runs the opposite way from the ribbing, thus forming a very attractive checked design. Comes in all the good light shades. All sizes.

SILK AND WOOL PULLOVERS, $4.69.
The body part of this Sweater is knit from pure wool yarns, in the drop stitch effect. A small Peter Pan collar in Silk and Wool, with a narrow tie to match, completes the trimmings. Comes in a variety of shades.

FLANNEL JAQUETTES ARE EXCEPTIONALLY NEW.
Side-tie Flannel Jaquettes are the newest recruits to sportswear. These cleverly styled garments when combined with Flannel Skirts are wonderfully good-looking. Usually they come in bright coloring, and are worn with Sweaters or in the place of sports coats. We are featuring three colors, Cadet, Lanvin Green and Jockey Red. Priced $12.95 each.

FLANNEL SKIRTS ARE MODERATELY PRICED.
Cream Flannel Skirts, whether in plain or pleated styles, are most fashionable this season. They act as a pleasing back-ground for your sweaters and jaquettes. Our styles show inset pockets, belts and button trimmings. Are obtainable in regular and O.S. sizes. Priced $6.95 and $7.50 each.

WE ARE WONDERFULLY PREPARED TO FILL YOUR SUMMER'S REQUIREMENTS IN HOT WEATHER DRESSES.
Women, we have dozens of Dresses featuring practically every conceivable style and material that is considered at all correct for this season.
The discriminating woman, who prefers exclusive styles, will find fascinating frocks. Other women who want style at conservative prices, will be able to choose advantageously. Women who must count the cost first will also be agreeably surprised.
Voile Dresses in Medium, dark and light colors, are priced from $6.00 up.
Swiss Voiles, in solid grounds with white spots, are selling from $13.50 to $25.00.
Large Women's Dresses, cut from dark patterned Voile, reflect the best of fine judgment, and are priced from $13.50 up.
Ratines, in all sizes and colors are priced at $7.75 and up.
Ginghams, in a marvellous variety of styles, range from $3.00 up.
House Dresses and Aprons are priced from $1.39 up.

SUMMER LINGERIE CARRIES A SMARTNESS OF LINE THAT IS EXCEEDINGLY COMMENDABLE. TAILORED EFFECTS ARE LOOKED UPON WITH FAVOR.
In every way you will find our "Lingerie" styles a good line to tie up to. For workmanship, for quality, for styling, for ordinary common horse-sense in trimmings, we will compare our Canadian-made styles with anything you can secure anywhere.
Princess Slips come in a great army of styles, priced from $1.19 to $4.59.
Cotton Gowns that set high standards for quality and finish, priced from 89c. to $3.50.
Cotton Bloomers, step-ins and drawers, women's, priced from 59c. up to $1.00.
Cotton Underskirts, in shadow-proof makes, priced from $1.50 to $4.00.
Cotton Corset Covers and Camisoles, priced from 50c. to $1.50.

MEN'S STRAWS.
Hot weather demands Straw Hats, and we are showing and selling the most complete range of Men's Sailors that we have ever shown. Prices are very reasonable, too.
Fine Split Sailors, Sennit Sailors and the Rougher Brands, particularly for young men. Prices are $1.50, $1.69, $2.00, $2.25, $2.50 and $3.00.

—A very pretty wedding was solemnized at the Bay Parsonage, by the Rev. W. H. Truscott, on Wednesday last, the contracting parties being Miss Lottie May Parks, youngest daughter of Mr. and Mrs. Archie Parks, of Anderson, and Mr. Ross Leon Card, only son of Mr. and Mrs. J. Card, also of Anderson. The happy couple left for Toronto and points West.

—Mrs. Laura Stephens will address the ladies of Enterprise, at Keech's Hall, Monday evening, June 11th. Her subjects are "How to get the most out of a day" and "Come up out of the cellar". This is under the auspices of the Women's Institute, who cordially invite all the ladies and young girls of the vicinity. A good program is prepared, so do not fail to come. She will address the Moscow ladies on the afternoon of the same day, June 11th, and the Centreville ladies on Friday afternoon, June 8th. We trust that all will take advantage of this opportunity of hearing talks on subjects of home interest to ladies. 23a

—On Friday evening, June 1st, Grace Church League visited the Selby League. The League from Grace Church furnished the program, which was very much enjoyed. Mr. Gerald Smith presided in a very affable manner. The Symphony Orchestra delighted the audience with their music. Mrs. Elliott gave a literary treat in an essay and readings from Wordsworth. Mr. Thomas' selections were appreciated, and Miss Wales' recitations supplied humor. Miss R. Smith and Miss L. Scott gave instrumental duets. After the program a social hour was enjoyed and everybody went away feeling that the visit had been mutually enjoyed.

—The Maple Leaf Institute will hold a special meeting at the Lutheran Hall, June 13th, at 2 p.m., when Mrs. Stephens, of Huntington, Quebec, will speak on two interesting subjects, namely, "Why we are what we are", and "Getting the most out of the day". Mrs. Stephens' pleasing address and thorough understanding of conditions in both farming and town communities, place her in the foremost ranks of Institute workers. Music and other items of interest will be added to the afternoon program. Will all the members kindly contribute toward the refreshments as they have in former years. It is also requested that all hospital linen be handed in at said meeting in order to close the year's donations. The last regular meeting was well attended and the election of officers for the ensuing year was as follows: Honorary President, Mrs. J. B. Miller; President, Mrs. E. M. Don't forget to come to Centreville on Saturday, June 16th. Horse Races, Base Ball and sports of all kinds. 22b

—On Saturday morning last, 176 homing pigeons, from R. A. Reid, Toronto, were let loose at the Canadian National station and, after circling over the town for a few minutes, headed back to Toronto.

—The Women's Conservative Organization of Napanee have held a meeting, at which their officers were elected. Ladies have been appointed to work in the different wards, and splendid results are anticipated.

—Mr. Wilmot, of the firm of Wilmot and Chapman, Napanee, returned from Montreal on Saturday afternoon with an aeroplane which he purchased in that city. Mr. Wilmot was in the flying corps over-seas, and has had a hankering for the hazardous life ever since. He circled over the garage and looped the loop several times and waved at the spectators who were watching for him.

—On Saturday last, at one o'clock, at the residence of the bride's parents, Mr. and Mrs. Wilson Purdy, their only daughter, Sadie, was united in marriage to Edward C. Hansen, of Waukegan, Ill., Rev. Mr. Merrick, of Morven, officiating. The little flower girl was a cousin of the bride, Miss Frances Cowan, Pittsburg, Pa. After a dainty wedding breakfast Mr. and Mrs. Hansen left on the 3.30 p.m. C. N. R. train for a short honeymoon in Ottawa. The bride was the recipient of many useful wedding gifts. Mr. and Mrs. Hansen leave in a few days for their home in Waukegan, Ill.

New C. N. R. Connection.

The C. N. R. new connection at Napanee has been completed, and the first passenger train passed over this line on Friday last at 9.00 a.m., piloted by Superintendent P. H. Fox, Ottawa. Engineer Boulton and Harry Whiting, Conductor, Kingston, were in charge of the train. A splendid new platform, 520 feet long, has been built, which will prove a great benefit to the travelling public. Much credit is being given to W. H. Henderson, who supervised this work from start to finish.

HOLMES & EDWARDS SILVERPLATE

The Bridal Gift of Quality

THE very reasons which make silverplate the the most desirable of all gifts to the bride—beauty coupled with utility—are the very reasons why you should make it a point to secure "Holmes & Edwards".

It costs more—true, but such a trifle that the extra quality will well repay the possessor in a lifetime of service.

The fascinating lustre of "Holmes & Edwards" Silverplate is attained by hand burnishing. Added attraction is superbly evident in the charming patterns. But the generous use of silver gives "Holmes & Edwaards" tenacious wearing qualities that crown all other merits.

Let your jeweler explain the two processess, "SILVER INLAID" and "SUPER PLATE" by which protection is given "Holmes & Edwards" at the wear points. Ask for "Holmes & Edwards" Silverplate if you are looking for the best.

A BED-TIME STORY.

It was evening. The Prince sat beside the Princess upon the great divan, and the Prince looked into the eyes of the Princess and saw his great love reflected there, and he was very happy. Slowly he drew the beautiful girl into his arms and pressing her to his manly bosom, he kissed her.

"What shall we do now?" asked the Prince. And the Princess answered: "Let us look at last summer's photograph album." And the Prince exclaimed: "Yes, let's!"

Then the Princess went to the ivory cabinet and brought out the album. "Oh, gracious," shouted the Princess as she looked into the book, "here is a picture of me, last summer, in my bathing suit. Look, how do you like it, Prince?"

Then the Prince looked at it and said: "I think that the photograph shows too little development for such an over exposure."

And they never lived happily after.

"How come the subway is so crowded to-night?"

"Oh, just a lot of the folks are going home early to avoid the rush."

Roger—You ink peddlers are a darned independent lot these days.

Al—How do you get that way? We work our heads off and all we get is rebuffs.

Roger—That's just it—I understand you fellows take orders from nobody nowadays.

She—Why is it that they always refer to ships as "she"? Is it because they are so beautiful and glide along so gracefully?

He—No, it's because their rigging costs so much and there's so little to it and it's only to catch the wind anyway.

TORONTO MECHANIC PROFITS

Use of Dreco Pays Mr. Bell Dividends of Health. After Other Remedies Fail. "I Think It Is a Wonderful Medicine." He Says.

Mr. John Bell, a mechanic tender, of 164 Bellwoods Ave., Toronto, found his work greatly impeded by severe dizzy spells, rheumatism and general internal disorder, brought about by a weakened digestive system. How Dreco speedily rectified this condition by toning and regulating his stomach, so that it properly nourished and strengthened the other organs, is outlined by Mr. Bell, in the following statement:

"For many years I have suffered stomach and liver trouble. My case was a serious one and caused me untold suffering. Every time I'd bend over or look up, I'd almost fall from dizziness. Things I ate never agreed with me. Gas would form in my stomach and would get a sour, bitter taste in my mouth. I often had pains around my heart. My appetite was also very poor and I had pains across my back. My joints and muscles ached with rheumatism."

Mr. Bell's symptoms are common to those whose digestive organs get out of hand. Dreco is prepared especially as a corrective for this condition. Compounded from medicinal herbs, roots, bark and leaves, it restores the whole system to proper working order Dreco contains no mercury, potash or habit forming drugs, and is a reliable spring tonic and restorative.

Dreco is being specially introduced in Napanee by Wallace & Co., and is sold by a good druggist everywhere.

MRS. MISENER'S ACHES AND PAINS

Vanished After Using Lydia E. Pinkham's Vegetable Compound

"Branchton, Ont.—"When I wrote to you for help my action was merely prompted by curiosity. I wondered if I, too, would benefit by your medicine. It was the most comfortable action I have ever taken. I heartily assure you, for through its results I am relieved of most of my sufferings. I have taken 6 boxes of Lydia E. Pinkham's Vegetable Compound Tablets and a bottle of Lydia E. Pinkham's Blood Medicine and I can honestly say I have never been so well before. I had suffered from pains and other troubles since I was fifteen years old, and during the World War period I worked on munitions for two years, and, in the heavy lifting which my work called for, I strained myself, causing pelvic inflammation from which I have suffered untold agony, and I often had to give up and go to bed. I had doctored for several years without getting permanent relief, when I started to take your medicines."—Mrs. GOLDWIN MISENER, Branchton, Ont.

The Motor Car By Which All Others Are Judged

For over fourteen years McLaughlin-Buick has been "Canada's Standard Car." During this long time it has firmly established itself in the affections of Canadians from coast to coast, until today it is recognized as the standard of comparison for all other automobiles.

And this recognition of sterling worth has been well merited. Everything that the highest engineering skill, the most efficient workmen and the best materials could give has been given to make it a car to be proud of, not only as regards dependability and durability, but also in appearance, finish and equipment.

The 1923 models are the finest models in every respect that McLaughlin-Buick ever built. A close inspection and test will more than prove it.

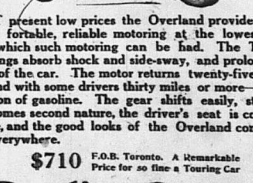
Overland

Sturdy--Comfortable Powerful

YET A MARVEL OF ECONOMY



AT present low prices the Overland provides comfortable, reliable motoring at the lowest cost for which such motoring can be had. The Triplex Springs absorb shock and side-sway, and prolong the life of the car. The motor returns twenty-five miles—and with some drivers thirty miles or more—to the gallon of gasoline. The gear shifts easily, steering becomes second nature, the driver's seat is comfortable, and the good looks of the Overland commend it everywhere.

Three Questions You Should Ask When Buying a Storage Battery

1. *Is it a GOOD BATTERY?*
2. *Is it made by a RELIABLE FIRM?*
3. *Can I get SERVICE EVERYWHERE?*

Prest-O-Lite Storage Batteries are standard equipment on the majority of Canadian-built Motor Cars, and, from the beginning, proved themselves superior in power and life.

Prest-O-Lite Storage Batteries are made in the largest and most modern battery plant in the British Empire.

Prest-O-Lite has more than 800 Service Stations in Canada. Wherever you go, you can get expert advice and repairs.

PROOF that the Ford is recognized as a farm necessity, is shown by the fact that when the Committee on Agricultural Conditions investigated the prices of things entering into farm production, they investigated the price of Ford Cars to the exclusion of every other make of car.

Civic Reception.

At the regular meeting of the Town Council on Tuesday evening it was decided to tender a civic reception to Commissioner Sowton, of the Salvation Army, who will pay an official visit to Napanee this (Friday) evening. The citizens of the town generally are asked to join the Council in receiving the Commissioner. The Council will meet in special session at 5.40 p.m. and adjourn to the depot to meet this distinguished gentleman who will arrive on the train from the west at six o'clock.

Napanee Women's Institute.

This Society will hold its regular meeting in the Agricultural Office, on Tuesday, June 12th, at 2.30 p.m. Mrs. Laura Rose Stephens will address the meeting on the subject "Getting the Most Out of the Day", and second "Making the Institute More Progressive and Helpful". Mrs. Stephens was the first lady institute speaker in the Dominion of Canada. She has travelled extensively, and possesses a wide knowledge of rural and urban community, which places her in the front rank of institute workers. A cordial invitation is extended to all interested. 23a

Citizens!

The Boy Scouts Association of Napanee have secured the services of Theodore H. Bird, the noted director of local talent productions, to direct and produce the big three-act musical comedy, "Nobody's Baby", which will be presented two nights, Wednesday and Thursday, June 20th and 21st, in the Armouries, with over one hundred and twenty-five of Napanee's best local talent in the cast. Napanee theatre-goers will remember the success of Mr. Bird's previous plays here. We ask the hearty co-operation of every man, woman and child in Napanee.

(Sgd.) Harry Babcock,
23a Scout Master, Troop No. 1.

"Nobody's Baby".

Theodore H. Bird, who so successfully produced the "Doctor's Private Secretary" and "Why She Loved Him", with Napanee's most popular talent, arrived in town Tuesday, and held his first rehearsal Tuesday afternoon and evening of the big three-act musical comedy, entitled "Nobody's Baby". There will be one hundred of Napanee's most popular young ladies, gentlemen and children in the cast. The comedy and specialties are all new, catchy and up-to-date, and promises to be the most brilliant entertainment ever produced by Mr. Bird and Napanee talent. "Nobody's Baby" is the vehicle Mr. Bird has selected to use for his return engagements in the different cities of Ontario this fall, under the auspices of the I. O. D. E. and the Children's Aid Society. The entertainment in Napanee will be under the auspices of the Boy Scouts Troop No. 1, and will be presented at the Armouries two nights, Wednesday and Thursday, June 20th and 21st. 23a

Prizes Offered for Best Design.

The Council of the Town of Napanee offered prizes to bonafide residents of the municipality for the best design, with suitable wording, for signs to be erected on the Highway entrances to the town, setting forth briefly the attractive features. The purpose of the advertising signs to be erected is to draw the attention of tourists and travellers to Napanee as a fine place in which to live and in which to carry on business. The prizes are $10.00 to first prize and $5.00 to second, and were to be awarded by a committee. Designs were to be forwarded to the Town Clerk not later than 21st May. The committee met, and examined the designs submitted, and after consideration decided to re-open the contest as only a few designs were offered. They also decided to open the contest to any one desiring to submit a design, no matter whether they are residents of the town or from outside municipalities. The designs must be forwarded to the undersigned not later than the 15th June.

The Good Maxwell Sedan Is Exceedingly Beautiful, As Well As Thoroughly Practical

It is truly a family car, as it seats five adults, with ample room for freedom of movement. Every detail, inside and outside, expresses refinement. The high lustre finish emphasizes the graceful lines of the car. Parking lamps add to the appearance. The upholstery is rich broadcloth, and the hardware in keeping with the finest closed cars. The double ventilating, leak-proof windshield, with both halves opening outward, is a special feature. Yale locks on doors, windshield wiper, heater, etc., are standard equipment.

YARKER.

In an exciting game of ball on Saturday afternoon, the home team met defeat at the hands of Sydenham pirates by the score of 4-1. This was the first exhibition game between the Frontenacs and Lennox and Addington Leagues, although Yarker boys say they have a good excuse for being defeated on account of trying out new players, and by some of the remarks of the fans the Yarker team will be in first class condition when they meet Enterprise this week. We are pleased to say that Mr. Elwood Holland will soon be in condition to resume his former position in centre field, having sprained his ankle in a recent game at Newburgh.—Mrs. W. J. Down and Mrs. A. D. Leonard have returned from attending the W. M. S. Convention of the Quinte District, in the Methodist Church at Cobourg. They report a very large attendance and splendid meetings.—By the looks of things hard times have gone forever, and a number of Yarkerites are sporting new cars. Mr. Stan Hart has purchased a new sedan; Mr. Geo. Woodhouse, Mr. Gerald Warner and Mr. Geo. Curle new touring cars.—

The many friends of Mrs. Gerald Warner are pleased to note she has recovered from her recent illness and is once more able to resume her duties as Principal of the school.—Messrs. Gerard and Gerald Dunn have returned home for the holidays from Kingston, having been successful in passing their examinations at Regiopolis College.—A number of the boys took in the moonlight excursion to Clayton on Monday evening. Also the ball game at Kingston, between Kingston and Cobourg.—Mr. Trottier, our genial accountant in the Bank of Montreal, is once more on the sick list. We hope for a speedy recovery.

—The camp meeting is at its height, just East of Yarker, and they are having a wonderful attendance.—Mr. Clinton Richardson has returned home, after an extensive tour in the Southern States.—Mr. Theodore Down has accepted a position with the Canadian National Railway. We wish him success.—Mr. Wallace Babcock had the misfortune on Monday, while working on the railway, to have a rail fall on his foot, which bruised it considerably making it very painful. He was attended by Dr. Thomas Warner, our new and popular dentist, has started practice at his residence, Deer St., and is very proficient and doing a splendid practice.—Mr. J. C. Connoly has put a new iron roof on his office, and also a coat of paint, which adds to the appearance of the Main St.—We welcome Mr. and Mrs. Switzer and family to our village. They are occupying a house on Colebrook St.—Some of the motorists forget that the speed limit of this town is 12 miles per hour.

COUNTY COUNCIL

County Council met in the Council Chamber in the Court House, on Tuesday afternoon, Warden Johnston presiding.

Rev. Mr. Pringle, Adolphustown, and Reg. Neal, Bath, completed the opening exercises of the session.

A communication from the Department of Highways, re Provincial Highways' account, and County Roads subsidy, was filed.

Copy of an Order-in-Council, confirming By-law 427, re County Road in Camden, was read.

Correspondence with Department of Highways, re road in Ernestown, from Link's Mills to Odessa, requesting that said road be made a County Provincial Road, was read. The Department promises to decide the matter during the present session of Council.

The contract between the County and the Ontario Bridge Co. for a 50-foot steel bridge in Ernestown Township, at a cost of $2,500 and $112 for reinforcing material for floor, was read and approved.

Commitment papers and order, re Champagnie child, from Napanee Children's Aid Society, was presented and filed.

On motion the Township of Kaladar was repaid 50 per cent. of $625.11 advanced by the Township on County Provincial Highway in 1921.

A By-law respecting the removal of obstructions on the County Road system, allowing the County Road Superintendent to have any trees, buildings, shrubbery, or any other obstruction removed, was introduced, and read a first time.

Wednesday Morning.

Considerable discussion took place on the proposed by-law regulating the cutting of weeds and removing obstructions. Also road matters in general.

The By-law was read a first time, and on motion the Council went into Committee-of-the-Whole on the second reading of the by-law.

The By-law provides that the Road Superintendent may enter into agreement with any owner of property along the roads for the removal of any obstructions and arrange the amount of compensation, if any, to be paid in conjunction with the Reeve of the municipality in which the road is situated.

No owner of land adjoining the highway will be allowed to erect any building or structure within 33 ft. from the centre of the road bed.

The By-law was read a third time, and finally passed.

CAMDEN EAST

The past few days have been nice and warm, and everything is looking fine in the country.—Mr. Stock, wife and four children, of Arden, spent a couple of days with friends in this vicinity, he being a former Pastor of this church. On Wednesday they motored down again.—Miss Grace Duckwall, of Cleveland, Ohio, spent the past week with her parents at the Community Paper Mills. She returned to Ohio on Monday last.—Mr. Wm. Snider, of Violet, spent Sunday last with his brother, Mr. and Mrs. F. Snider.—The Township Sabbath School Convention held in the Methodist Church, Thursday afternoon and evening, was a decided success.—Mrs. Hawley, sister of Mr. Jesse Card, and her daughter, Miss Yorke, and husband and little child, of Marlbank, motored here on Sunday last and spent the day with Mr. Jesse Card and family. Mr. Card returned to Ardoch with them, and will be spending Saturday night and Sunday with Mrs. Card and three children.—Mrs. Dickson and daughter, Miss Edith, on Tuesday morning last for Three Rivers, Que., to visit her sister, Mrs. Giggs, for a few weeks.—Mrs. Cryderman, of Toronto, arrived home on Wednesday night of last week to spend a limited time with Mr. and Mrs. Chas. Histed.—Dr. Huxtable, wife and little son Gordon, returned home last week, after visiting relatives at Consecon for several days.—Mr. and Mrs. Amey and daughter, accompanied by Mr. Jas. Youmans and wife, motored to Conway on Sunday last to visit Mrs. Maria Rogerson and her son, Ed. Hogeboon, wife and children.

WILTON.

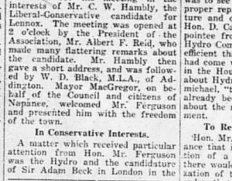
Anniversary services will be held in the Presbyterian Church, on Sunday, June 17th, morning and evening services. The pulpit will be occupied by the Rev. Mr. Ramsley, Belleville. The rain of the past week was a great benefit to the country and to the hay and grain crops. The electric storm of Tuesday evening was quite serious in this vicinity, the home of Mr. Clarence Babcock being struck and set on fire, but by quick attention was extinguished before any serious damage was done. Also the home of Mr. John Peters, Florida, was struck and a chimney was knocked off the house.—The East end of the village is being improved by a new cement sidewalk being made from the Grange Hall to the corner by the residence of Mr. Henry Hutchins.—The members of the Standard Church are attending camp meeting at the Standard Church camp grounds, near Yarker.—The sale of household effects of the late Mrs. Zelpha Stover, held on Wednesday last, was largely attended.—Miss Frankie Barley, Toronto, is spending a week with her sister, Mrs. Charles Stover.—Mrs. H. J. Lawrence, of Sydenham, at the home of Mr. Earl Burt.

ENTHUSIASTIC MEETING ADDRESSED BY HON. G. HOWARD FERGUSON

About a thousand electors gathered at the Armouries on Wednesday afternoon for the meeting in the interests of Mr. C. W. Hambly, the Liberal-Conservative candidate for Lennox. The meeting was opened at 2 o'clock by the President of the Association, Mr. Albert F. Reid, who made many flattering remarks about the candidate. Mr. Hambly then gave a short address, and was followed by W. D. Black, M.L.A., of Addington. Senator MacGregor, on behalf of the Council and citizens of Napanee, welcomed Mr. Ferguson and presented him with the freedom of the town.

In Conservative Interests.

A matter which received particular attention from Hon. Mr. Ferguson was the Hydro and the candidature of Sir Adam Beck in London in the



Hon. G. Howard Ferguson

interest of the Conservative party. For, except for the "incapacity and the stupidity" of Hon. D. Carmichael, the status of the Hydro enterprises in Ontario would never have been put in such a position where Sir Adam was practically forced back into the field as a candidate.

At the same time the appearance of Sir Adam had been responsible for Hon. F. C. Biggs, Minister of Highways, stepping on the platform to display his ignorance." Hon. Mr. Biggs had protested that the candidature of Sir Adam was "dragging the Hydro into politics," but Hon. Mr. Ferguson wanted to remind the Minister that Sir Adam was but stepping back into the position which he occupied four years ago, and that his real purpose was to see that the municipalities got proper representation in the Legislature and on the Hydro Commission. Hon. D. Carmichael, the Drury appointee from the Legislature to the Hydro Commission, had proved so inefficient that Sir Adam felt the time had come when there must be a man in the House who knew something about Hydro affairs. For Mr. Carmichael, "through his stupidity," had already been a sufficient millstone about the neck of Hydro advancement.

To Re-organize Commission.

Hon. Mr. Ferguson gave the assurance that in the event of the formation of a Conservative Government there would be a complete re-organization of the Hydro Commission in order that the municipalities would have proper representation in another respect. That means, in so many words, the lopping off of George Ramsden, the Drury appointee to the Commission.

"The supposed representation of the municipalities on the Commission is a gentleman named Ramsden," Hon. Mr. Ferguson remarked. "He was appointed by the Drury Government, but what does he know about municipal matters? He sold fixtures at one time, but that seems to be about all. So one thing I can promise if I have the honor of forming a Government, is that there will be a re-organization of that Commission which will bring about a closer co-operation with the municipalities."

The revel in the offices of Hon. Peter Smith, Provincial Treasurer, commonly known as the "last night party", will not be silent in spite of the persistency of the Attorney-General in shielding the names of the Government supporters who shared the orgy. It cropped up from the audience when Hon. Mr. Ferguson was discussing certain phases of the Government's lack of efficiency in putting through financial deals. He talked in particular of the $2,000,000 loss on the refunding of bonds held in England when a gentleman wanted to know : "Did they decide that deal at the last night party?"

"I cannot say," Mr. Ferguson returned, "but I hardly think so. They only lost $2,000,000 on that transaction. They would doubtless not have been in condition even to lose $2,000,000 at the last night party."

But Mr. Ferguson was not astonished at Mr. Birney's failure or fear to disclose the names of the revellers, for, as he put it, "there is not an action of any kind in the history of the Drury Government from the first day of its administration."

NEWBURGH.

The School Board is making preparations for some improvements in the school building. The old stairs are to be taken down and a new flight put up which will keep the entrance on the Public and High Schools entirely apart. This is a much needed change.

Mr. Naylor, who has been manager of the Newburgh branch of the Standard Bank for the past four years, has received a well deserved promotion at the hands of the bank authorities, and will go to Beaverton, a town more than double the size of Newburgh. If present plans are carried out he will leave in the course of a week's time and will be replaced by a Mr. Anderson, from Western Ontario. Mr. Naylor has worked hard in the interests of the bank and was always courteous and accommodating to its patrons. He has also been a good citizen, ready to help and encourage everything for the benefit of the community. For these reasons and on account of personal qualities possessed by Mrs. Naylor and himself, we are sorry to see them leave Newburgh.

Changes are constantly taking place. Rumor has it that Charles Detlor is about to leave the town. But, "Of chance or change oh let not man complain," he may never never cease to wail."

A number from here attended the meeting at Napanee on Wednesday, addressed by Hon. G. Howard Ferguson. Addington is not worried much over elections, although it seems we are to have a chance to vote which leads a little interest to the times.

Some years ago the Newburgh correspondent to the Beaver made reference to country cemeteries with regard to their squalid and disreputable appearance. This state of things still exists yet. There are many country cemeteries that are a disgrace to the community in which they are located and to the plot holders whose dead are buried in them. Passing through Newburgh cemetery recently, we noticed that it is not the model of neatness that it has been at times, in fact it is somewhat ragged and unsightly. This may not be the fault of the caretaker, but the fault of the plot holders who neither take care of the plots themselves or come forward with the small sum ($1.00) necessary to have the plots properly trimmed and cared for each year. Sentiment sometimes induces people to bring the bodies of their dead hundreds of miles to bury them, and then seem to forget them and the place they lie. More than sentiment is necessary in the care of those spots wherein lie the silent dead. A love for the orderly and beautiful is needed as well as a sense of the fitness of things.

WHAT DRURY SAID ABOUT THE LIBERALS.

(At Fenelon Falls, June 25th, 1920)

"Between the U. F. O. and the dead, defunct and discredited Liberal organization, there can be neither amalgamation, unification nor endorsation."

HAY'S OPINION OF MR. FERGUSON.

(Globe, March 30th, 1922).

"From the knowledge I have of my hon. friend from Grenville, I am satisfied there was no personal interest in any of its transactions and that whatever action he took he believed it to be in the best interests of the Province and of the department over which he presides."—F. Wellington Hay, Liberal Leader.

DRURY'S OPINION OF MR. FERGUSON.

Speaking at Grand Bend on August 18th, 1922, Mr. Drury made the following statement, as reported in The Farmer's Sun of Sept. 6th, under date of Aug. 23rd :

"I am not making any charge that Mr. Ferguson ever benefited to the extent of one dollar personally. I don't believe he did. I believe, personally, he's clean and never administered for his own benefit."

J. J. MORRISON'S CANDID OPINION.

Condemns Drury Government And Says It Cannot Continue.

Addressing the Men's Club of Wesley Methodist Church, Toronto, on April 4th, Mr. J. J. Morrison, Secretary of the U. F. O., expressed the following interesting opinion :

"We are going to have minority Governments, a form of government which is not a good thing for democracy. Minority rule is a very bad thing, with tendencies leaning toward anarchy and trouble. We have a minority government at Ottawa and in Ontario. The farmers and labour controlling the situation in Ontario combined have less than one-third of the registered vote of the province. That cannot continue; it will stifle business, and the indications are that we may have a period of trouble going through with it. If private corporations conducted their business in the way that the Ontario and Dominion Governments are administering the affairs of the people, they would soon cease to exist."

LETTER TO THE EDITOR.

To the Editor Napanee Beaver.

Dear Sir,—Saturday, the 16th of June is the 139th anniversary of the settlement of Upper Canada by the United Empire Loyalists, when they landed on the shores of the Bay of Quinte. It has been suggested that some reference be made in our schools on Friday, the 15th, and in our churches on Sunday, the 17th June, or at some other convenient dates, to this important event in the history of our country. We do not do enough of that sort of thing. It makes better Canadians. It is good for our native born citizens and helps to Canadianize our immigrants, to make much of the big events in Canadian history.

One hundred and thirty-nine years ago there were neither schools or churches in the territory forming Ontario. Now we have thousands. In fact we have so many churches that plans are on foot to amalgamate some out of existence. The original U. E. Loyalists were soldiers in the British Forces in the American Revolutionary War, therefore they were the first veterans. It was their services and sacrifices that made possible a British North America with its two million British homes. They were the pioneers of Liberty, and at the second session of their first Parliament abolished slavery, while the American Republic, notwithstanding its famous declaration that all men were free and equal, did not get rid of slavery for seventy-three years later. The U. E. Loyalists were democratic and introduced Municipal Government by the people before there was any legislative authority providing for it. They were religious (having no Tom Paines among them) and made a God-fearing country. They were loyal to British Institutions and that sentiment of loyalty is the dominant sentiment of the country to-day.

WEDDING BELLS.

Fennell—Smith.

The marriage took place yesterday at Danforth Avenue Methodist Church, of Miss Sylvia Smith, daughter of Mr. and Mrs. S. H. Smith, formerly of Napanee, to Dr. Milton H. Fennell. Rev. J. J. Coulter performed the ceremony. The bride, who was given away by her father, wore a cream suit and cream picture hat, and carried a bouquet of Ophelia roses and lilies of the valley. Mrs. R. Braidner was matron of honor, and wore a suit of beige shade, with hat to match, and bouquet of sweet peas and maidenhair fern. Mr. Roy Russell was best man. Afterwards, a reception was held at 148 Gough Avenue, where Mrs. Smith received in a becoming gown of black Canton crepe, black hat and corsage bouquet of roses. Later, Dr. and Mrs. Fennell left for a trip to the States, the bride travelling in a navy blue tricotine suit, with nile green hat, and black fox fur. They will live in Columbus, Ohio.—Toronto Daily Star, June 7th.

A NEW ROADWAY.

To Be Built Through the Village of Odessa.

It was learned on Friday afternoon that it is the intention of the Provincial Highway Department to construct a new roadway through the village of Odessa. The new piece of roadway will connect with the Provincial Highway at the western boundary of the village and will run easterly for 3,000 feet.

The present highway in this district is twenty feet in width and it is proposed to make the new roadway through Odessa thirty feet wide. It will be a macadam waterproofed and will be tile drained.

McGinnis and O'Connor are at present building the roadway at the westerly boundary of the village.

Serve your guests with "Daly's Good Tea", and serve it to your family at every meal. Let your next pound be Daly's. Sold at Wallace's.

COLLEGIATE INSTITUTE PROMOTIONS.

The following lists include the promotions in the Napanee Collegiate Institute from First Year Lower School to the Second Year, and from Second Year Lower School to the Lower Division of Middle School. Forms 1A and 1B represent First Year or Lower Division of Lower School and promotion from both of these is into Form II or Second Division of Lowpr School.

Promotion from Form II is into Form IIIA which is the Lower Division of Middle School. On account of the large number of pupils in Form II next year, it will be necessary to divide it into two sections. This division into IIA and IIB will be made at the opening of the school in September.

The names are arranged alphabetically and not in order of merit. Where pupils have been promoted with one or two conditions, they will be given an opportunity at the opening of school on Sept. 4th to try an examination in these subjects and obtain full promotion. The subjects in brackets after the name indicate the subjects in which the pupil failed.

WOMEN FROM FORTY TO FIFTY

Will Be Interested in Mrs. Thompson's Recovery by Use of Lydia E. Pinkham's Vegetable Compound

Winnipeg, Man.—"Lydia E. Pinkham's Vegetable Compound has done me good in every way. I was very weak and run-down and had certain troubles that women of my age are likely to have. I did not like to go to the doctor so I took the Vegetable Compound and am still taking it right along. I recommend it to my friends and to any one I know who is not feeling well."—Mrs. THOMPSON, 295 Lizzie St., Winnipeg, Man.

When women who are between the ages of forty-five and fifty-five are beset with such annoying symptoms as nervousness, irritability, melancholia and heat flushes, which produce headaches, dizziness, or a sense of suffocation, they should take Lydia E. Pinkham's Vegetable Compound. It is especially adapted to help women through this crisis. It is prepared from roots and herbs and contains no harmful drugs or narcotics.

This famous remedy, the medicinal ingredients of which are derived from roots and herbs, has for forty years proved its value in such cases. Women everywhere bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound.

Women who suffer should write to the Lydia E. Pinkham Medicine Co., Cobourg, Ontario, for a free copy of Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women." C

Most efficient for the washing machine

Take half a cake of Sunlight Soap, pare it into hot water in your washing machine and stir into a rich suds. Put in the clothes and operate the machine. Later, rinse the clothes and you will find them beautifully clean and snowy white.

The blending of rich cocoanut and palm oils in Sunlight is the secret of its cleansing power—also of its economy.

Sunlight—the purest laundry soap in Canada.

THE DOG.

A DOG-GONE NUISANCE.

"The one absolutely unselfish friend that a man can have in this selfish world, the one that never deserts him, the one that never proves ungrateful or treacherous is his dog. A man's dog stands by him in prosperity and in poverty, in health and in sickness. He will sleep on the cold ground, when the wintry winds blow and the snow drifts high, if only he may be near his master's side. He will kiss the hand that has no food to offer. He will lick the wounds and sores that come in encounter with the roughness of the world. He guards the sleep of his pauper master as if he were a prince. When all other friends desert, he remains. When riches take wings and reputation falls to pieces, he is as constant in his love as the sun in its journey through the heavens. If fortune drives the master forth an outcast in the world, friendless and homeless, the faithful dog asks no higher privilege than that of accompanying him, to guard him against danger, to fight against his enemy. And when the last scene of all comes, and death takes his master in its embrace and his body is laid away in the cold ground, no matter if all other friends pursue their way, there by the grave-side will the noble dog be found, his head between his paws, his eyes watching tearfully and his ears pricked to catch the slightest sound. Faithful even unto death."

A New Spirit in Dundem.

There be brave words. But they tell of a good generation of dogs. What is needed to-day is a writer who can vividly interpret the life and character of the present generation. The modern dog, like the people, is characterized by short memory, concentrated activity and limited ideals of realism in art, over-fondness for food, and lack of affection for his master and his home. Obviously, therefore, "Past days, happy days, faithful even unto death," is not the motto of the present dog. To-day his device is "Every man for himself." Time was when the dog was content to be a dog, but to-day he is not content unless he is a human being.

Personals

It is the desire of the publishers that all should take an interest in this column of The Beaver. If you have friends visiting you, or are going away for a trip, leave word or send it on a Post Card.

Mr. Wellesley Coulter spent a few days with friends at Wagarville.

Mr. and Mrs. Harry Finkle, of Providence, R.I., spent a few days this week with Mr. Finkle's mother, Mrs. Martha Finkle, Centre Street.

Mrs. Grant Norris, nee Edna Black, left on the midnight on Friday of last week for Windsor, Ont., where Mr. and Mrs. Norris will reside for a while.

Mrs. Elgin Craig, of Toronto, and her mother, Mrs. Harten, of Enterprise, left for Toronto on Monday.

Mr. and Mrs. Chester Brown celebrated Mr. Brown's eighty-eighth birthday with his daughter in Peterboro', on June 9th. He is hale and hearty, cuts a few lawns around town works his garden, goes to the postoffice for his mail, and never uses a cane.

Mr. and Mrs. J. Albert Bell, Mr. and Mrs. C. L. Sharp and Miss Mildred Milling motored to Frankford on Tuesday and spent a day with their cousins, Mr. and Mrs. Hugh Badgley.

Mrs. Joyner left on Monday for Detroit, where she will spend the week-end en route for Muskegon, Mich.

Mrs. J. O. Bongard, of Kingston, spent a few days in town this week with her cousin, Mrs. C. Brooks, Bridge Street.

Mr. and Mrs. Albert Martin and Mr. and Mrs. Bruce Martin and little granddaughter, Dorothy, spent Sunday last with Mr. and Mrs. Manson York, of Spring Valley, Tamworth.

Miss Eleanor Baker is spending a month in Toronto.

Miss Janet Preston, of Pueblo, is spending the summer with her father, Mr. H. L. Preston.

Mr. Mark Tennpour and little son have been spending the week with Mr. and Mrs. Edward Wilson.

Miss Beath is spending a few days in Toronto.

Mrs. Joseph Tesley, of Wellington, motored to Napanee and called on friends; also spent a week with her mother, Mrs. F. B. York, Tamworth.

Mr. and Mrs. J. M. McPherson and son, Bruce, left yesterday for Stratford, where they will visit relatives.

Miss Ada Thayer, of Fulton, N.Y., is the guest of Mrs. Templeton, Thomas Street.

Mr. Frank Rogers, Mr. Faulk, Mr. Wardine, Mr. Klein and Mr. Herbert Warlick, of Denbigh, spent a few days in town this week.

Mrs. Manly Jones, who has been spending the winter in California, returned last week to Napanee.

Mr. Brown and Helen and Jack, of Belleville, spent Sunday at Mr. and Mrs. Will Dunbar's.

Mr. Geo. Meadder, of Belleville, spent Sunday with his mother.

Mrs. H. McConnachie is in Montreal attending the graduation of her daughter, Miss Grace, from the Montreal General Hospital.

Mr. Manson York and Mr. Harvey Brickman motored to Wellington on Wednesday, and spent the week end with Mr. and Mrs. Joseph Teskey.

Mr. Col. and Mrs. A. R. Perry spent a day this week at the home of their son-in-law, Mrs. F. S. Boyes.

The Misses McCallum visited their brother in Cobourg the last week.

Mrs. Colen Stewart, of Toronto, is the guest of her mother, Mrs. J. R. Parks.

Miss Celestine Daly entertained a number of little friends on Wednesday at a garden party.

Mrs. Albertson and son, Clarence, of Kingston, spent last Sunday with her mother, Mrs. F. H. York, Tamworth.

Rev. H. B. and Mrs. Neal, of Adolphustown, and Rev. Herbert and Mrs. Pringle, of Adolphustown, were present at the opening of the session of the County Council on Tuesday. They were dined at the Campbell House by the Warden, Mr. J. S. Johnston, who also had Mayor MacGregor and Mrs. MacGregor.

Mr. W. E. Buck, of Adolphustown, has returned, after spending four weeks in Toronto.

Miss Jean Johnston, B.A., of Hamilton, who has just graduated from McGill University, is spending a couple of weeks with her aunt, Mrs. Geale Daly.

Mrs. Alma Aikenbrack spent the week-end in Welland City and the port town of Port Colborne. A trip along the Welland Canal convinced the tourist that the banks are noted for their industries. Port Colborne, besides having a Government elevator has a nickel refinery, the Canada Furnace plant, and the Maple Leaf Flour Milling Co. In the Township of Thorold at Windle, there is a glass works, a Beaver Board plant and the greatest paper plant in Canada. It owns or has the wood off 70 acres every 24 hours. At Thorold there is another paper plant, and at Welland City the Terro Alloy Plant. Welland county has only eight townships, yet it is one of the two counties of Ontario to boast of two cities. It also has three towns and five villages.

WEDDING BELLS.

Purdy—Hansen.

The home of Mr. and Mrs. W. R. Purdy was the scene of a very pretty wedding, when on Saturday, June 2nd, their only daughter, Sadie Adelia, was united in marriage to Mr. E. C. Hansen, of Waukegan, Ill., by the Rev. W. R. Merrick.

The bride, who was given away by her father, was gowned in maize silk, with touches of orchid, and wore a black picture hat. She carried a shower of roses, and wore a beautiful string of pearls, the gift of the groom. Their only attendant was little Miss Frances Cowan, of Pittsburgh, cousin of the bride, who made a charming flower girl, carrying a basket of pink and white sweet peas. Mrs. Luther Loney, of Kingston, rendered the bridal marches, and during the signing of the register, Mr. Laney sang "Love's Coronation". After congratulations were received, a dainty buffet luncheon was served. The happy couple left amid showers of confetti and good wishes for a short honeymoon in Ottawa, before leaving for their beautiful new home in Waukegan, U.S.A. The bride, being one of Morven's most popular young ladies, was the recipient of many useful and costly presents, among them a handsome cheque from her father.

Among the guests were noticed Mr. and Mrs. W. F. Kelly, Napanee; Dr. J. P. Edwards and Mrs. Edwards and family, Cataraqui; Mrs. A. Macleau, Mr. and Mrs. W. Franklin, Kingston; the Misses Finnican and brother, Mr. Finnican, Kingston; Mr. and Mrs. C. Cowan, Pittsburgh; Mr. and Mrs. G. Lumpkins, Moscow; Mr. and Mrs. Clayton Garrison, Oshawa, and many others.

IN MEMORIAM.

In loving memory of my dear husband, Ethelbert Wilson, who departed this life, June 19th, 1922.

Not dead to me, I see you stand
More radiant than tongue can tell,
And hear you whisper all is well,
See, I am near, whit need to fear,
For God is love.

24ap —Wife.

IN MEMORIAM.

In loving memory of our dear husband and father, C. Edward Ellis, who died June 6th, 1919.

Oft our thoughts do wander to a grave not far away,
Where we laid our loving father four years ago to-day.
If we had seen his loving face, or heard his last farewell,
The grief would not have been so hard for those who loved him well.
We think of him in silence, his name we oft recall,
But there's nothing left to answer,
But his picture on the wall.

—Wife and Children,
24ap Hazel, Mabel and George

IN MEMORIAM.

In sad and loving memory of John Starr, who departed this life, June 16th, 1921.

Though his loving voice is silent,
And his true heart ceased to beat;
Yet we miss his well known footsteps
And his face we used to greet.

Sadly missed by Wife and Daughters. 24ap

Theodore H. Bird will play Prof. Maithy, in "Nobody's Baby", Wednesday and Thursday, 20th and 21st June. 21a

IN MEMORIAM.

In loving memory of R. Z. Bush, who departed this life on June 29th, 1922.

Thus do we walk with him,
And keep unbroken,
The bond which nature gives,
Thinking that our remembrance
Though unspoken,
May reach him where he lives.

24ap —Wife and Children.

IN MEMORIAM.

In sad but loving memory of our son, Frederick Arthur Laughlin, who fell in action the 13th day of June, 1916.

O'er love like ours death has no victory,
In sweet glad memories you are living yet;
So shall love triumph through eternity,
Death can come only when our hearts forget.
24a —Father and Mother.

COMMISSIONER SOWTON VISITS NAPANEE.

Commissioner Sowton, of the Salvation Army, paid an official visit to Napanee on Friday. The Commissioner was met at the station by the officers and members of the Salvation Army, the Napanee Band and about fifty autos, containing citizens of the town. Proceeding to the Town Hall Mayor MacGregor welcomed the Commissioner in a few words, and Town Clerk W. A. Grange read the official address from the Council.

Council Chambers,
Napanee, June 8th, 1923.

Charles Sowton, Esq.,
Commissioner of Salvation Army for Canada.

Sir,—The Mayor and Council of the Municipal Corporation of the Town of Napanee extend to you, on behalf of the citizens, a cordial and hearty welcome on this occasion of your first official visit to Napanee.

We welcome you, not only as the head of that great and noble organization, the Salvation Army, but also in your private capacity as a large minded, industrious and effective worker in the cause of Christianity and in all those Christian activities which are especially fostered by your great and beneficient body.

The Salvation Army, although its corporate existence began within the memory of most of us, has grown to such proportions that its work has now become almost world wide. Its militant name and formation suggest strength, efficiency and aggressiveness and we are quite convinced that in your Army's war on evil, these attributes are making your modest and simple organization one of the most potent factors in the uplifting of humanity.

We admire the zeal and self-sacrificing labors of your officers. They are doing a great and noble Christian work and through you we wish to extend to them our appreciation.

In conclusion let us repeat that we are very glad to welcome you. We trust your sojourn here will be pleasant and we trust the messages you deliver will fall in fertile fields.

May you carry away with you, on your departure, happy memories of your visit. The freedom of the town is yours.

On behalf of the Council of Napanee and its citizens,

Yours sincerely,
A. MacGREGOR, Mayor.
W. A. GRANGE, Clerk.

In the evening in Grace Church, Commissioner Sowton delivered an inspiring address to a large audience.

LACROSSE.

Deseronto 6, Napanee 2.

The local Juvenile Lacrosse team throwed a scare into the Deseronto boys at the Driving Park on Monday evening, when, until within ten minutes of the end of play the game stood 2 all. In the first period the Napanee boys scored the only goal but in the second the visitors came back strong and netted two.

With the score so close, the Deseronto management became uneasy and called for reinforcements in the persons of Cole and Green, two of the best players in this district. Cole, who is a speedy player and good stick-handler but has a hasty temper, quit the team in Deseronto on June 4th, but when the distress flag was unfurled on Monday evening he toddled back into the fold and to his prowess, ably assisted by Green, belongs the victory.

In the third period Napanee again secured the lone tally, the visitors netting four in the fourth.

It is very much regretted by the local management that the crowd will not keep back of the line and allow the players a clear field. If the older ones would keep well back they would be able to see the game just as well and set a good example for the young lads. The crowd is not large, but get bunched on the south side of the field. If the spectators would divide up and part of them go across to the north side there is room enough on the field to accommodate the crowd in a single row.

Games Next Week.

To-morrow (Saturday) the local Midget team journey to Trenton to play a scheduled game there.

Wednesday, June 20th—Napanee at Belleville (Juvenile).

COLLINS BAY MAN KILLED BY TRAIN.

James Waller Met Instant Death on Crossing.—Horses Also Killed.

James Waller, well known mail carrier at Collins Bay, was instantly killed on Monday, shortly after two o'clock, by the westbound International Limited, drawing coal to the construction company which is working at the Collins Bay crossing. Mr. Waller was driving a team of horses over the tracks and just as the wagon was in the middle, the International Limited came along and struck it with the result that Mr. Waller and his horses were instantly killed and the wagon was smashed to pieces.

The late Mr. Waller was a man of about sixty years, and he leaves a widow and two daughters, Mrs. Frank Leonard and Miss Maud, at home.

Silverplate of Greater Merit for the Bride

THE Trade-mark "Holmes & Edwards" on silverplate stamps it at once as having unusual merits.

Its gleaming hand-burnished lustre alone proclaims its superlatively rich quality. Exquisite too, in their charm and simplicity are the facinating patterns—patterns whose exclusiveness is appealing in itself.

But crowning all these merits "Holmes & Edwards" offers tenacious, life-long utility and joy because pure silver is generously used in making it.

Your jeweler will be interested in explaining to you, the two superior qualities in "Holmes & Edwards"—"SILVER INLAID" and "SUPER PLATE"—both protected at the wear points.

Make the Rinso liquid first

Do not put Rinso direct from the package into the tub. Mix half a package of Rinso in a little cool water until it is like cream. Then add two quarts of boiling water, and when the froth subsides, you will have a clean amber coloured liquid. Add this liquid to the wash tub, until you get the big lasting Rinso suds. Then soak the clothes clean.

Rinso is as splendid for the regular family washing as Lux is for fine fabrics.

Here's A Green Blind Paint That Fades Darker

That's exactly what it does. Instead of growing lighter and lighter and finally looking like dirty washed out blue, it starts in a vivid green and then gradually turns darker until it's reached a rich deep green.

Then it gets no darker, nor lighter. Just stays the way you want it to stay. Neither the salt spray of the seashore, nor the hot pelting sun have any effect upon it. Its name is Lowe Brothers Permanent Green.

You can't get it everywhere, but you can get it here. Drop in and we'll show you the color.

Overland Sturdy--Comfortable Powerful

YET A MARVEL OF ECONOMY

AT present low prices the Overland provides comfortable, reliable motoring at the lowest cost for which such motoring can be had. The Triplex Springs absorb shock and side-sway, and prolong the life of the car. The motor returns twenty-five miles—and with some drivers thirty miles or more—to the gallon of gasoline. The gear shifts easily, steering becomes second nature, the driver's seat is comfortable, and the good looks of the Overland commend it everywhere.

Full, fresh fruity taste

Now you can make perfect-keeping, delicious jams and jellies with only one ingredient, sugar.

No fruit juice is boiled away, therefore Certo-ized jams and jellies taste better—they cost less and keep perfectly. None of that long-cooked sugar taste that makes old-fashioned jams and jellies so strong.

Certo is pectin, the jellying element of fruit. Complete booklet of Recipes with every bottle.

If your grocer does not have Certo send his name and 20c and we will mail you a bottle. Write for revised Certo booklet of 73 recipes.

How to Make Red or Black Currant or Gooseberry Jam

Boil well about 2 lbs. fruit juell. Use hottest fire, and stir constantly before and while boiling. Boil only one minute after boiling hard for one minute. Remove from fire, and stir in ¼ bottle (scant ½ cup) hot sugar, and mix (not) Certo. Skim and pour quickly.

Why Waste Money Daily!

Of all farm machines, the cream separator is the one on which you can take no chances, for the smallest of cream losses soon mount into dollars.

The Melotte has been the farmers' best friend for over 20 years. It is the machine with suspended bowl and enamelled bowl casing. Hanging naturally on a ball bearing spindle, the bowl is perfectly balanced, and is guaranteed easier to turn and to wear longer than any other.

On account of the recent advance in raw materials, it is impossible to guarantee present low prices for any definite time.

Ten-year guarantee with every machine.

Successful At Last In Search For Health

Toronto Lady Agreeably Surprised by Splendid Results Obtained From Dreco.

Dreco is daily growing in popularity because of its certain action on the organs of digestion. It succeeds where many other remedies fail. The case of Mrs. Elizabeth Hammer, of 153 De Foe Street, Toronto, is typical in this respect.

"I constantly had a pain in my back from my kidneys and could hardly bend over without suffering", declares Mrs. Hammer. "My joints and muscles ached with rheumatism. My stomach and liver also troubled me quite a bit and I had dizzy spells and spots floating before my eyes. I was weak and my system was all run down and I most always felt tired out."

"Dreco has done more good for me than anything I have ever tried. The pain in my back is gone and I feel much better in every way. I now sleep well and am much stronger so I am glad to recommend Dreco to help others.

No case of this kind is too severe or long standing for Dreco to help. Let its corrective properties that come from nature's roots, herbs, bark and leaves aid in restoring you to normal health and comfort. Dreco contains no mercury, potash or habit forming drugs and is enthusiastically recommended by every one who tries it. It is an ideal tonic.

Dreco is being specially introduced in Napanee by Wallace & Co., and is sold by a good druggist everywhere.

"Face Disfigured From Eczema"

Writes the Nurse who finally tried D.D.D.

"The disease had eaten her eyebrows away. Her nose and lips had become disfigured. Since the use of D. D. D. her eyebrows are growing. Her nose and face have assumed their natural expression."

WHO FIRST FELT "LIKE A FIGHTING COCK"?

COCK-FIGHTING was born with the cocks.

But it is only 80 years ago that the first man felt "like a fighting cock!"

Now he has brothers, sisters, nephews, nieces, all over the world—all feeling "like a fighting cock!"

It happens this way: Anderson half sick with bad stomach, dull and heavy headaches takes Beecham's Pills just before going to bed. Immediately the Pills begin to harmonize the digestive and eliminative organs.

Consequently, this person has a good night's sleep and arises in the morning with clear brain, bright eye, keen appetite, and full of energy for work and play.

It is now just 80 years since Beecham's Pills first began correcting disordered stomachs and stirring sluggish livers and bowels to natural activity — and feeling "like a fighting cock" is associated as inseparably with Beecham's Pills, as the pills are with good health.

POULTRY DAY.

The Poultry Day in Napanee has become a feature of the county life which is of inestimable value not only to the farmers of the county but as well to the townspeople, to the merchants and the tradesfolk. To have over seventy-five thousand dollars paid in cash to the farmers in two days, who in turn spend a considerable portion of it in the town, does much to bring the town and country together and to increase the prosperity of the whole community.

So the agricultural experts who know the situation are of the conviction that live poultry day can reasonably be held in the mid-summer in order to permit the farmers to dispose of a surplus stock. At the present time a careful estimate has been made and it has been ascertained that such a surplus exists. It has been decided therefore to initiate a live poultry day. Foreign buyers have been notified and will be in Napanee on Tuesday next to make their purchase.

To be a success it was recognized that there must be co-operation on the part of all concerned, the Town Council, the Board of Commerce, the merchants and the producers, as well as the Agricultural Office are behind the scheme. The merchants are making plans and each and all will offer a special line of bargains for the one day.

It is the hope of all those who have the interest of the county at heart that this new venture will prove as successful in disposing of the live poultry as the fall poultry days are in securing a profitable market for the dressed stock.

Co-operation on the part of all parties, and above all, the interest on the part of the farmers, will undoubtedly secure this result.

Arrangements have been made to take "Nobody's Baby" to Deseronto, Friday night, June 22nd, and to Picton, on Wednesday night, June 27th. 24a

Live Poultry Fair at Napanee

On Tuesday, June 19th, there will be held at Napanee a real live Poultry Fair. This Fair will be the first of its kind held in Canada. The purpose is to assist farmers and poultry men to dispose of their surplus live poultry. Representative buyers from important points of Canada and United States will be present.

To stimulate interest and set the day off with real live pep, the Napanee Board of Trade, the Town Council and the Ontario Department of Agriculture are getting right behind this splendid movement. The business men in all lines are showing their interest by offering special bargains for Tuesday, June 19th, Live Poultry Fair Day.

GOD SAVE THE KING.

NEWBURGH.

Mr. Clarence Hannah, of Wesley, was taken to the General Hospital, Kingston, last week, where he underwent an operation for appendicitis. At date of writing he is progressing favorably.

The new Manager of the Standard Bank, Mr. Anderson, has arrived and assumed his duties.

Mr. W. D. Black, the Liberal-Conservative candidate for Addington, held a meeting here on Monday night, which was addressed by Mr. Black himself, and Mr. Craig, of Barrie. Mr. J. W. Paul, ex-M.P., and Mr. A. R. Carscallen also gave short addresses. Mr. Black had to come to Newburgh to learn that he got a "rake off" the men's wages who were employed on some road the Government were building in the rear of the riding. Of course the story is a joke but it is on the man who told it. He did not think of the absurdity of saying that the Drury Government giving funds to a supporter, in the House and out of it, of Hon. G. H. Ferguson's who has been such a thorn in the flesh of the Government.

On Tuesday night a meeting was called in the interests of Mr. Haines, the Liberal candidate, at which there were a fine array of speakers, including the candidate himself. The meeting was a little shy in the matter of audience.

It is so long since we have had a contest in Addington for the Provincial House that it is hard for the people to realize that we have one on now and politics have been so mixed for the last few years that we don't quite realize where we are at.

However, that story about Mr. Black and the "rake off" reminds us that some of the boys have not forgotten how to tell whoppers. On this, of course, we are not congratulating ourselves.

ORANIZATION MEETING.

Col. S. S. Lazier entertained the Executive of the U. E. L. Celebration Committee to dinner at the Hotel Quinte, Belleville, Saturday evening, June 16th, in honor of the 139th anniversary of the settlement of Upper Canada, after which an organization meeting was held at the Council Chambers, City Hall.

Some of the Executive who were unable to be present, sent regrets, including the Rev. Father Killeen, who expressed a desire to do all he could to make the celebration a success.

Major General Sir A. C. Macdonell, Commandant of the Royal Military School at Kingston; Sir Robert A. Falconer, President Toronto University; Dr. W. Bruce Taylor, Principal of Queen's University; Aemilius Jarvis, of Toronto, and Prof. McArthur, of Queen's University, were elected Vice-Presidents.

Col. S. S. Lazier, the President, occupied the chair, and among those present were W. C. Mikel, K.C., Dick Ketcheson, Dr. Farley, Mayor Bennett, Mayor Newman and R. Hubbs, M.P., of Picton, Judge Madden and W. S. Herrington, K.C., of Napanee; Judge Deroche, Judge Wills, King Rogers, F. B. Smith, Jas. Walsh, Warden of the County of Hastings; Col. Barrager, F. A. Pinkston, Ald. Greenleaf, Rev. A. S. Kerr, Rev. Maffett, Rev. Dr. Brown, Rev. Mr. McKechnie, Rev. Mr. Marshall.

A number of resolutions were passed, including resolutions inviting the Governor General to attend the celebration, requesting the use of the Fair Grounds, Victoria Park, City Hall, the Armouries, also parking space for automobiles and camping space for automobile tourists during the celebration; for assistance from the Dominion Government. A resolution was also passed requesting the City Council to dedicate Zwick's Island as a U. E. L. Park, with mooring for boats, and a wharf at which boats could land with picnic parties from all along the Bay and Lake.

A Nominating Committee was appointed to select members for the Finance, Membership, Entertainment, Reception, Programme and Publicity Committees, with Judge Wills (Chairman), W. C. Mikel, K.C., F. B. Smith, W. S. Herrington, K.C., and Mayor Newman, of Picton.

MOSCOW.

Well what has become of the scribe from our bony burg.—Great preparations are being made for the one hundredth anniversary of the Huffman settlement. The event is to be held on Amos Huffman's lawn, on Wednesday. — Also the Orangemen and lady lodge of this place are getting in readiness for their lawn social to be held on the church lawn on June the 30th. Come and enjoy a treat and hear Sarah O'Brien, of Toronto, who will furnish the program. —We are beginning to think we are going to have real summer weather now, and prospects of a good crop.—The Ladies' Institute of Enterprise spent a very enjoyable afternoon at Mrs. Robert Asselstine's, and organized a lodge. So don't forget the date of meeting, the first Thursday in July, at Major Amey's, the President of the lodge.—A large crowd from here attended the camp meeting at Yarker on Sunday night.—Mr. and Mrs. Will close spent Sunday at E. Asselstine's.—Mr. and Mrs. Wesley Keech, Mr. and Mrs. Sanford Keech and Mrs. Nettie Clark, Marlbank, spent Sunday at Alf. Cousins'.—Quite a number of the pupils from the various schools are home for their holidays.

CAMDEN EAST

We are having very hot weather at time of writing, on Tuesday last the thermometer registering 86 degrees in the shade at 2 o'clock.—Mr. Will Whittaker, of Enterprise, visited his sister, Mrs. Ellen Lacey, on Saturday afternoon last.—Mrs. Macdonald is very ill, with Dr. Munce, of Newburgh, in attendance.—On Tuesday morning last the stork flew over the village and presented Mr. and Mrs. Percy Histed with a fine little man to play with them in the future. Both are doing well at time of writing.—Miss Lucy Hinch, Napanee, spent the week end with her friends, Mrs. (Dr.) Youree, Miss Annie Sprague and Mrs. Annie Hinch, and called on several others.—Miss L. Martin left on Monday last for a year's visit with her sister, Mrs. Wright, in Calgary.—A public political meeting will be held in the Parish Hall, Saturday evening, June 23rd, at 7.30, in the interests of Mr. Mikel and Mr. Stanley Ball called on Mr. and Mrs. L. Hartman, on Monday last.

"NOBODY'S BABY"

The performance of "Nobody's Baby", which was given under the auspices of the local Boy Scouts, has been looked forward to by hundreds of people since the announcement was made that Mr. Theodore Bird was giving another entertainment in Napanee. Mr. Bird, as usual, chose his cast from the most talented of our young people, and himself took not only the directorship, but the role of the eccentric old Professor "from Whitby". Miss Tillie Waller in the title role was wonderfully attractive, and showed a talent that was quite professional. Her two songs were well done, and few could have looked so sweet as Nobody's Baby did in her dainty little dress.

Col. and Mrs. Bowser were played by Mr. Limbert Graham and Mrs. Katherine Powell, and although much was expected of Mrs. Powell, who never disappoints her audiences, Mr. Graham proved a great surprise in presenting his talents to the public for the first time. He showed marked ability and a positive genius for "growling". Both parts were played with a certain finish not expected in amateurs.

Mr. and Mrs. Meekman were equally good, the parts being taken by Mr. Norman Root and Miss Elsie Woodcock. Many a good laugh was afforded the audience by the meekness of the "family" and the indomitable will of his spouse. May we add that Miss Woodcock wore some very charming gowns, as did also Mrs. Powell.

Mr. Joe Marshall was cast for the soldier lover, and his love-making was certainly irresistable. His songs with his sweetheart were also well worth listening to as he possesses a splendid baritone voice. Mr. Frank Mills, as "Tim", the Irish servant, was inimitable, and he sang a catchy, snappy song in the second act, called "Fancy Nancy Clancy", which was received with enthusiasm. Master Tody Davy and Gilbert Seymour assisted, in Irish costumes.

The specialties were extremely well put on and the decorations could not have been more artistic. The opening musical number was sung by Mrs Frances Dwyer, who looked very handsome as Britannia. Her chorus of little girls clad in red, white and blue, and Boy Scouts, all bearing flags, was very pretty, and the three little soloists, Mildred Loucks, Gilbert Seymour, and Celestine Daly, as a miniature Trio, were much appreciated and heartily applauded. The little operetta "Secrets" was well done and very amusing. The parts were well taken by Miss Diana Mills, Miss Olive McMillan, Mr. J. E. Baughan, Mr. A. Powell, and Mr. Wm. McLaughlin. This act was followed with a dance by dainty little Mary Galbraith, who is a very remarked talent in this direction. The solo specialty was rendered by Hilda McGreer and J. E. Baughan in the "See-Saw". Both young people possess good voices, and the chorus was taken up by a bevy of young ladies and gentlemen, disclosed in the background on real "see-saws", in a veritable garden of roses. The picture was more than attractive, and there was no exaggeration in the advertisement which stated that Napanee's prettiest girls and handsomest young men were going to help make the opera a success.

At the beginning of the second act, Mrs. Powell, very charmingly in a maize and blue gown and picture hat, sang "Love Sends a little Gift of Roses", assisted by the principals. The costumes in the "Nobody's Baby" specialty deserve special mention, being flower-like affairs made of pink crepe. The scene was most alluring. Another rose song was rendered by Olive McMillan and Mr. LeSalle, soprano and tenor, assisted by a chorus of "roses", basket of roses, wreaths of roses, and finally by a garden full of roses of all varieties. As an up-to-date finale, Miss Grace Oliver, as Britannia lady, sang "Old King Tut".

The two performances were given in Napanee to capacity audiences, and proceeds are in aid of the Boy Scouts.

WEDDING BELLS.

Davis—Caldwell.

The marriage took place Saturday afternoon at five o'clock, at the Lilly Memorial Church, Cedar Avenue, Pointe Claire, of Pearl Emmeline, youngest daughter of the late Mr. and Mrs. Davis, of Lakeside, to Mr. John Murdoch Caldwell, son of the late Mr. John Caldwell and Mrs. Caldwell. The ceremony was performed by the Rev. Wm. Shearer, assisted by the Rev. W. H. Warriner. The bride was given away by her brother, Mr. Allan Davis, and wore a simple gown of ivory georgette trimmed with filet lace. Her tulle veil which was caught with a band of silver ribbon and orange blossoms fell over a court train of ivory georgette lined with charmeuse satin. She wore silver shoes and stockings and carried a shower bouquet of roses and lily-of-the-valley. Mrs. Frank B. Warriner, who attended her sister as matron of honor, wore a frock of lavender crepe de chene with circle of lavender ribbon forming a butterfly bow, forming a train at the back to match. She wore silver shoes and stockings, and carried mauve and pink sweet peas. The best man was Mr. Wm. Caldwell, brother of the groom, and the ushers were Mr. H. T. Warriner and Mr. Johnny Davis. Mrs. Charles Jamieson played the wedding music and during the signing of the register Mr. Andrew Webster sang "O Perfect Love." Following the ceremony a reception was held at the home of the bride's parents, after which Mr. and Mrs. Caldwell left on a honeymoon. The bride travelled in a navy blue Poiret twill suit, with a grey hat, grey shoes and stockings and a Lucille fox fur. They will reside in Napanee, Ont. — Montreal Daily Star.

LETTER TO THE EDITOR.

To the Editor of The Beaver:

Dear Sir,—I wish to call the attention of the Electors of Lennox and Addington to a letter in the Express of June 19th, signed by G. M. Neely, in which he states:

"The charge made by the Hon. Howard Ferguson, in his address on the 13th, that the farmers are extravagant and incompetent is both false and malicious".

Hon. Howard Ferguson made this statement in reference to the Drury Government, and his statement did not refer in any way to the intelligent farmers of Ontario.

Mr. Neely has twisted this quotation to suit his own perverted imagination. The statement was made by Hon. Howard Ferguson in reference to the Drury Government and is not disputed by any person who has had interest enough in the financial standing of the Province to look over the public accounts issued by the Drury Government.

It is true the Drury Government was elected by the rural population to represent them, not to misrepresent them, in fact they were so sure of the support of the rural population that they have wasted the resources of the Province in paying large fees to professional men and lavishing money on Universities and City institutions to secure the sympathy and support of the larger centres.

In 1922 the Universities received $3,628,300.00. The High Schools, Collegiate Institutes and Continuation Schools combined only received Government assistance to amount of $412,661.00. Is this providing equal educational opportunities for the children in rural and urban districts?

Mr. Neely further states that John Vrooman's election as our representative to the Legislature of Ontario will bring to each right-thinking citizen a feeling of pride and satisfaction equally with that which comes to us when we point to our member at Ottawa.

The Hon. Howard Ferguson has stated emphatically that there is collusion between the Drury Government and the Hay wing of the Liberal party. Could there be more conclusive evidence than the letter over the signature of G. M. Neely, who, from his own statement, is a pronounced Progressive. Mr. Neely, the Progressive, states that John Vrooman and Mr. Sexsmith are his candidates. This doubly verifies the statements of the Hon. Howard Ferguson.

Further evidence that there is collusion between the Hay wing of the Liberal party and the Drury Government, especially in the Counties of Lennox and Addington, was furnished at the U. F. O. convention held in the Town Hall, at Napanee, on Saturday, May 12th. The report of the meeting is as follows:

"Another Liberal stalwart, Mr. H. B. Sherwood, who addressed the meeting, expressed his opinion that he thought it only fair that no U. F. O. run against Dr. Vrooman, and at the next Dominion election the Liberals should run no candidate against Mr. E. J. Sexsmith".

Mr. Neely evidently thought he was addressing his letter to the illiterate foreign element of the west instead of the intelligent electors of Lennox and Addington.

The electors of Lennox and Addington, who desire a sane, responsible and economical Government, will be well advised if they go to the polls on Monday, June 25th, and cast their ballot for W. D. Black, of Addington, and C. W. Hambly, of Lennox, supporters of the Hon. Howard Ferguson.

Yours respectfully,

A. B. CARSCALLEN,
Tamworth.

What Christian Guardian Thinks of Mr. Ferguson's Policy on Prohibition

"Once or twice the leader of the Conservative party in Ontario has undertaken to state his position in regard to the Ontario Temperance Act and its enforcement, and somehow or other his statements seemed to lack the definiteness which the situation demanded, but at last the Conservative leader has given a clear and unequivocal pronouncement which we are only too glad to publish. In a speech at Spencerville, on May 28th, he spoke as follows:

"The people of Ontario by their votes declared for prohibition. Prohibition must prevail and be observed until the people by their votes pronounce against it. The people must accept the situation which they themselves created, and the Government of the day must see that the law is actually and rigidly enforced. If at any time there should be a sufficiently manifested desire for a change in the law to warrant the Government into believing that there is a real public demand for such a change it will be the duty of the Government to ask the people by their votes to pronounce upon the subject. To ignore or refuse such a request would be undemocratic and in direct violation of the spirit of our institutions."

We accept Mr. Ferguson's statement without reserve, as a carefully considered and deliberate pronouncement of his own and his party's policy upon the temperance issue. We agree most heartily with Mr. Ferguson's further statement that "Ontario wants her laws enforced, and the Government that is remiss in its duty in that respect will not long be tolerated," and we trust that all our public men will bear this fact in mind."

Misleading Statements

Side by side on the front page of the Napanee Express of Tuesday last are two productions advocating the cause of Hon. Howard Ferguson as a Liberal candidate. The one is in the nature of an editorial, and the other is a letter from Mr. G. M. Neely. Mr. Neely's letter he says, "The charge made by the Hon. Howard Ferguson in his address on the 13th, that the Farmers are extravagant and incompetent is both false and malicious; in fact and very prejudicial to the interests of the Conservative cause in this county."

The other article, headed "The Electors," no doubt pleases Mr. Neely, and we would like to know if Mr. Neely thinks it will be very prejudicial to the interests of the Liberal cause in this county. Here is a quotation from the article advising the people to support Dr. Vrooman: "The main charge which can be laid against the Drury Government is that of wild extravagance in expenditure."

Why do Liberal speakers in Lennox condemn the Conservative party for opposing redistribution? Is there not grave danger that Lennox with a population of less than 15,000 will be lost as a political entity when redistribution occurs? One reason advanced for pushing redistribution forward at this session was to remove the inequalities in representation whereby small constituencies like Lennox had a member for 15,000 population and in other constituencies it required a population of 50,000 to 100,000 to obtain a member. Let the electors of Lennox not forget that we are a separate constituency yet because there was no redistribution last session.

NEWBURGH HIGH SCHOOL SPORTS.

On May 24th, the N. H. S. boys and girls journeyed to Tamworth to play baseball and basketball. The sterling Silver Cup, which had been donated by Dr. O'Connor and won by N. H. S. boys last year, was won again this year, much to their delight, by the score of 10-9. Byrons, the "kid" pitcher on Newburgh League team this year, pitched for the game, and he sure does like to see the school team win. Hinch, the 1st baseman, very rarely missed the ball, and also was a regular "Babe Ruth" at the bat. Somers, on 3rd base, might also be mentioned for his good stops. Breeze, as short stop, did excellent work. Altogether the boys played a great game and the spectators certainly did enjoy watching it. The line up:—Pitcher, Byrons; catcher, McNeely; 1st base, Hinch; 2nd base, Vanvolkenburg; 3rd base, Somers; short stop, Breeze; left field, Miller; centre field, Huffman; right field, Duckwall; Tweed Umpire.

The Basketball game was called at 4 p.m. Miss McSherry, of Newburgh, referred 1st half; Miss Rose, of Tamworth, second half. Both teams played well. The score at end of 1st half was 14-4, in favour of Newburgh. At end of second half the score was 24-14, still in Newburgh's favour. Stella Byrnes played jumping centre. Her quickness and experience fitted her well for the position. K. Woodruff as side centre. Their combination work made the centre very strong. Marjorie Hill, though small, was fast and sure as a forward. Mary Breeze, the other forward, was always on the alert, equally as sure and together they scored many goals. Lila Bell and Mabel McNealy formed the defence. Both are one-year players, yet they played a splendid game, especially checking at the basket.

Return games were played June 2nd at Newburgh. Score of baseball game, 14-9, in Newburgh's favour. The basketball game played in the evening, showed that Tamworth had been practising, and were right after the N. H. S. girls' heels. However, the score was 18-14, again in Newburgh's favour. Miss Rose refereed the fist half, and Miss Edythe Breeze the 2nd half.

On June 6th, in the cool of the evening, a game of baseball was played between Strathcona and Newburgh High School girls. It was the first game of baseball the girls had played this season, but they played well in spite of the fact that they had had no practice. Umpire, Percy Byrons, of Newburgh. Score 10-12, in N. H. S. favour.

The line-up:—Pitcher, Marjorie Hill; catcher, Marjorie Moore; 1st base, Florence Perry; 2nd base, Aileen Byrnes; 3rd base, Bernedatta Craigin; right field, Helen McGill; left field, Jessie Weese; centre field, Gladys Slade.

June 16th was Field Day at Centreville. The N. H. S. girls played two games of basketball in the afternoon. In the game with Tamworth the score was 15-15. Miss Harrison, of Tamworth, and Miss Breeze, Newburgh, were referees. A "scrap" game from Sandford also. Wally Perry and Miss Breeze referred. Score, 39-7.

This finishes the sports of the old N. H. S. for this term, but it is to be hoped that all will be interested enough to help make good teams both in baseball and basketball for this fall.

LAWN SOCIAL.

A Lawn Social will be held on the Presbyterian Church grounds, on Thursday evening, June 28th. Everybody welcome.

HAY BAY.

An evening of unusual interest and profit was spent in the church on Wednesday last, when Mr. Herrington, of Napanee, gave a splendid illustrated lecture on his trip to Europe. The pictures were splendid and this, with a graphic description by the lecturer, made the tour very realistic indeed. Dr. Vrooman was the chairman, who was enthusiastically greeted, and made a very fitting speech bearing upon the ever memorable trip to Europe. He also recalled the many happy days of years ago spent in that community, and was glad indeed to be present on that occasion. Mr. and Mrs. Seymour sang very pleasingly, and the large audience united heartily in according the entertainers of the evening their most grateful appreciation.

Fancy That!

MEN AND BOYS—

All Your Summer Requirements Are Here!

It is of course impossible to have everything in the "staple" and "seldom asked for" lines always in stock, but we try to reach this standard, and come very close to fulfilment. Try us out, Men and Boys.

STRAW HATS FOR WORK, PLAY AND DRESS WEAR

Sailors are very popular this year for all ages. Ours are made with the egg-shaped crown and bellows sweat. They fit and feel comfortable. These are generally in Sennet small and wide braids in bleached and natural shades. Some have blue, others brown trimmings.

If you prefer Panamas, we sell the genuine article at very reasonable prices.

LIVE POULTRY FAIR DAY.

The Live Poultry Fair held at Napanee on Tuesday, June 19th, was not altogether a complete success, because of the fact that outside buyers failed to have their representatives present to buy the live poultry which was offered for sale. It may be explained, however, that the local branch of the Ontario Department of Agriculture and the Poultry Division of the Live Stock Branch, Ottawa, did everything within their power to have the buyers present. A special letter, together with full particulars of the live poultry fair, was mailed to five Toronto firms and six Montreal firms. In addition, poultry buyers in Belleville and Kingston were interviewed personally, and advised of the fair. It was very unfortunate that outside buyers did not come. However, I would like to explain that it was through no fault of the local office. Apparently, the reason representatives of the trade were not at the Live Poultry Fair is that the market is very dull at the present time, and the big poultry firms received all the poultry they could handle at their respective places of business, without attending any central outside marketing point. However, the local buyers, Messrs. Marsh and Mills, purchased large quantities of the birds brought to the market at good fair prices to the producer, and it may be said to their credit that they were personally instrumental in making the Live Poultry Fair a fair success. It is estimated that approximately 2000 live birds were brought to the Fair. Of this number, Mr. Marsh purchased 1000 and Mr. Mills 385. The prices the farmers received for poultry were as follows:—Birds weighing 6 lbs. and over, 20c. per lb.; 5 lbs. and over, 18c. per lb.; 4 lbs. and over, 15c. per lb.; culls, 10c. to 12c. per lb. The quality of poultry offered was excellent. Very few culls were offered for sale, and the majority of the hens brought around 18c. per lb.

The Federal and Provincial Governments greatly appreciate the support and co-operation of the Napanee Town Council and the Board of Trade. These two organizations helped in every possible way in advertising the Live Poultry Fair. The Department takes this opportunity of thanking them for their able assistance, but regrets that the Fair did not materialize as successfully as anticipated.

RELIGIOUS EDUCATION COUNCIL.

The annual Convention of the Religious Education Council of Richmond was held in the Methodist Church, Roblin, on Friday, June 15th, 1923.

The Convention opened at 2.30 p.m., with the President, Alex. Collins, in the chair. Rev. C. J. Wilson, of Roblin, had charge of Devotional Exercises, after which Professor I. Corinthians, 13th. chapter;, followed by prayer.

Rev. T. H. P. Anderson, of Selby, gave a very inspiring address, "The Rural School and Its Efficiency". Much credit was given to important work done by rural Sunday Schools.

1st, Disadvantages.—The majority of people working from early morn till late at night throughout the week and when Sunday morning came they were too tired to put their best in the work.

2nd, Indifference.—Parents living within reach of Sunday School indifferent to the call of the Sunday School; not seeing the need of attending themselves or sending their children.

3rd, Automobiles.—Which might be used to an advantage to carry the members of the family to Sunday School, but in many cases used as a curse, taking a great many to places of amusement or pleasure.

4th, Bad Weather.—It being difficult for people to drive sometimes miles in snow or rainstorm.

5th, Accommodation. — Most of schools lacking equipment to properly carry on work.

Along with these disadvantages there are a number of advantages. Unlike the cities and towns where there are a great many things to attract and draw them away from the Sunday School, the rural community interest is gathered and centred in one place. The child life is cleaner, mentally, morally, physically, intellectually, for the following reasons: The life of the child in rural districts does not come in contact with the demoralizing agency that the average child of city or town does. He closed his address, summing up with three fundamental principles which underlie all good teaching.

1st, Teacher's Preparation.—Every teacher should have definite preparations before coming to Sunday School.

2nd, Push.—You must love the work so it will be the first thing in your life, and then get behind things and push.

3rd, Personal Touch.—Nobody is going to touch members of Sunday School better than the teacher. His life should not be a denial of his teaching. Every teacher should be consecrated wholly to Jesus Christ, working always for results; every child in the Sunday School and every child also a worker for Christ.

Secretary, J. C. Hudgins, reported $718.36 for the O. R. E. C. financial drive. The objective for the county was $1,000.00. Amount raised $718.36. The township objective being $460.00, amount raised $491.61. Township receipts $16.10; expenditures $8.15; balance on hand, $7.95.

Mrs. R. J. Smith reports eight cradle rolls, with one hundred and eighty-nine babies. Also primary and junior departments progressing.

Report of Boys' Division.—Seven organized classes were reported. Girls' Division six, and Adults' reported five Sunday Schools in a very flourishing condition.

Teachers' Training Superintendent, Mrs. J. E. Ackerman, reports a number from Trinity and Forest Mills have taken up work but have not tried exams. Selby has eight of a class, five securing 100 per cent., and all passing with honours.

Mrs. Burnelle Denison, Superintendent of Missionary Department, reports $458.76, a decrease of $47.01. She emphasized the thought to practice more self denial and if necessary for rural more necessary for towns and cities.

Mrs. N. B. Miller, Temperance Superintendent, reports seven schools taking up Temperance work. We need just as much Temperance instruction as we did four or five years ago. The boys and girls must be impressed when young if we wish them to make thorough temperance men and women. Ministers and teachers must stand in front line to save the children. We have won a few battles but not the war.

Miss Laine, representative of O. R. E. C., gave a few helpful suggestions. In looking over Standard Efficiency chart, there were a number of schools which reached the same standard of efficiency.

Rev. Mr. Wilson then welcomed the people to Roblin. The afternoon session closing with the singing of Hymn 118, and prayer.

The evening session opened at 7.30 p.m., with children's chorus, "Jesus Lives". Rev. T. H. P. Anderson having charge of Devotional Exercises.

Report of Nominating Committee. Following are the officers :—

President—J. C. Hudgins, Selby.

Vice President—W. T. Mackenzie, Napanee.

Secty.-Treas. — Stanley Sexsmith, Selby.

Supt. Children's Division—Mrs. R. J. Smith, Napanee.

Supt. Boys' Division—Mr. Frank Bell, Napanee.

Supt. Girls' Division—Miss Mabel Mills, Napanee.

Supt. Adult Division—S. S. Brown, Sharp's Corners.

Supt. Home Division—Mrs. J. Topping, Napanee.

Supt. Teachers' Training—Rev. C. J. Wilson, Roblin.

Missionary Supt.—Mrs. Burnelle Denison, Napanee.

Temperance Supt.—Mrs. N. B. Miller, Napanee.

President, J. C. Hudgins, taking the chair. Reports Resolutions: A hearty vote of thanks be tendered to Roblin people for the bountiful supper provided. Also a vote of thanks and appreciation be tendered Alex. Collins, retiring President, of his faithful service.

Then followed address by Miss Laine, "Different Needs of the First Five Years of Child's Life". First five is most important. God makes small things sweetest and best. What is the responsibility resting for these needs? Every child has a right to receive a religious training. Home is responsible agency in every child's life. It is either a set toward or away from. Is every boy and girl receiving this home training? Sunday School teachers and home should work together. There are eight relations. 1st right thoughts, knowledge about God; feeling, love; conduct, service. We should be very careful to get the right idea of God impressed on the young child's mind. This depends on the home. As teachers and parents, we have a privilege of painting right pictures in the mind of the child. What kind?

1. As a loving Heavenly Father who is protector, one who is giver of every perfect gift. As they grow older taking Him as a Creator and Personal Saviour.

2. Teaching him to pray not little formal prayers only, but in his own thoughts and words.

3. Pictures in the home should make the suggestion that would bring about right feelings toward God.

4. Songs in home should be better than just ragtime music.

The child is capable of religious feelings before they are of thoughts, but cannot express in words. But a child's conduct expresses his character. Sow the seed and look to God for results.

The pronouncing of the Benediction closed a very successful and encouraging convention.

WEDDING BELLS.

Meredith—Burton.

Miss Anna Burton, daughter of Mr. and Mrs. Fred Burton, of 239 Weyl St., and Mr. Aangier B. Meredith, son of Mr. and Mrs. A. Milne, of Brooks Ave., Rochester, were married on Tuesday, June 12th, in the Lake Ave. Church parlors, by the Rev. A. W. Reavers. The attendants were Miss Dorothy Burton, sister of the bride, and Craig B. Meredith, brother of the groom. The ushers were Mr. Edward Mors and Mr. Alvin Ross. The wedding march was played by Miss Louise Mors. The bride wore a gown of white crepe-de-chene, with tulle veil caught with orange blossoms, and carried a shower bouquet of bride roses. The maid of honor wore an orchid organdie dress with hat to match, and carried pink roses. After the ceremony a reception was held at the home of the bride's parents, about forty friends being present. The groom is a son of the late Albert Brock Meredith, and grandson of the late C. L. Carscallen, of Selby, Ont. Mr. and Mrs. Meredith will spend their honeymoon in Peterboro', Ont., with his sister, Mrs. A. L. Callander. Pre-nuptial events were showers given by Mrs. Milne, Mrs. Norton, the Pioneer Club of the Y. W. C. A.; grocery showers by the Misses Bertha Mors and Dorothy Burton, and the girls of the Robeson Rochester Corp; a house party by the Pioneer Club.

KING TUT.

Old King Tut was a shrewd old nut,
A Prince of ancient race,
Of royal blood, before the flood,
His ancestory he could trace.
He made no kick, when he took sick,
Though he'd been going some,
And he died game, just the same
When he knew his time had come.

He was wise, did not disguise
His trouble and distress,
Saw facts ahead, when he was dead,
The future was no guess.
He was discreet, even so he would cheat
The robbers of this age.
So you can see as well as me,
That King Tut was a sage.

When about to croak, thus he spoke,
"I grave and solemn say,
If you will do my wishes true,
I'll die with a groan.
For well I know where I go
That I must not neglect
From morbid fools and graveyard ghouls
My body to protect.

Upon our race, just one disgrace,
That remorse my soul doth prick.
When that Israelite put up a fight,
And Moses turned the trick.
But may my soul reach the goal,
Climb high the family tree,
Won at great cost, his chariots lost
Chasing Moses through the sea.

Now attention pay, to what I say,
As I shake this mortal soil
'Twill be no use to make excuse,
My rules you'll find in Hoyle.
A dangerous fate, if you hesitate,
To shirk a King's demand,
May the dread of my ghost when dead
Enforce my last command.

Of secret tricks, one is to mix
Deadly poison with my cake,
When lain in state, first saturate
My body in alcohol.
Wrap me in hide, well tanned and dried,
The best on earth deserve,
At the last inspection, the resurrection,
A Pharaoh well preserved.

In Kings' valley, where spirits rally,
Where lordly Pharaohs rest,
Where ages roll, I'll alone but the great,
The fittest and the best.
Bury me deep, in peaceful sleep,
Till the resurrection morn,
I'll arise with those when Gabriel blows
Upon his golden horn.

In the mountain base, there is a place
I lofig ago selected,
To tell the truth, all through my youth,
This important plan neglected.
Take a thousand slaves, dig their graves
Out in the anti-room,
When job's complete, let their corpses sleep
With their secret in the gloom.

Hew in the stone, a mummie throne,
And store with jewels rare,
No meagre bits, for spirit tips,
Three thousand years of care.
And may my cure for those that nurse
A desire to disturb,
Who seek to select with loath disease,
Their wails in hell be heard.

—J. G. LOUCKS.

Someone remarked to a visiting international celebrity: "I suppose many people attend your lectures merely to boast that they saw you."

"Yes," he replied, "and it is even worse than that. Some do it for the privilege of saying they seen me."

Husband (going through housekeeping accounts)—But what is the earthly use of running accounts with four grocers?

Wife—Well, you see, dear, it makes the bills so much smaller.

What Did You Do with That Match?

The suffering and loss caused by forest fires are common knowledge and, yet, carelessness with fire in the forest continues. These forest fires are practically all preventable.

Save Ontario's Forests

They're Yours

Every individual who steps inside the woods should remember he is in the midst of highly inflammable property, for the upper layer of ground in the forest consists of partially rotted wood, which will burn. Lack of consideration for this gave rise to the strenuous situation in Ontario the last week of May and the anxiety for days in some settlements.

Thoughtlessness or bad judgment or carelessness cause practically all forest fires. Your co-operation, as a citizen, is needed to prevent these fires by taking the same care in the woods as in your own home.

SOLILOQUIES.

"This is a very easy life", the lazy
farmer sadly said,
Taking his mid-day hour's rest upon
his scanty feather bed.
He thinks of many pleasant things, of
money not of labor,
But most of all he thinks of how to be
a bigger "saver".
With mean delight does he regard his
good wife's badly worn-out shoes,
And then he gets up out of bed to
calmly read the daily news.
He views the highest price for eggs,
the lowest for his food and raiment,
Then soon he turns to page sixteen
and reads of Selby entertainment.
Then back again his thoughts return,
he heaves a weary sigh and groan,
And, filling up his pipe he says, "We
all will have to stay at home.
I can't afford to throw away my toil-
worn hard earned cash,
I can't afford to throw away my
money on such worthless trash.
The cows are falling in their milk, the
hens are laying sadly less,
And how the taxes will be paid is
really more than I can guess.
But if we try to save our cash and
coin we will pull through,
And so we'll make the "kids" stay
home no matter if they do feel blue.

I AM NOW A DIFFERENT MAN

So Says Retired Salvation Army Officer, Who Regains Health After Ten Years' Suffering. — Claims Dreco a Wonderful Remedy.

"For the past ten years I have suffered from neuritis and a general rundown condition of the system," states Mr. Philip Lewis, former Salvation Army Sergeant Major of the Junior Sunday School, Maidstone, Kent, England, and now a well-known citizen of Toronto, residing at 493 Keele Street.

"After my arrival in Canada 12 years ago, I was taken ill with pneumonia, which resulted in a nervous, weakened condition of my system. Finally neuritis set in and the following four years I was ill most of the time, gradually becoming worse, until it was almost impossible for me to drag one foot in front of the other. This necessitated the use of a cane when trying to walk.

"I tried many medicines, and spent hundreds of dollars without getting results. Since June, 1922, I had been unable to do any work, my entire system being severely weak. I had just about given up all hope of recovering, when I happened to read how much Dreco was doing for others, so decided to try it.

"After taking Dreco only one week, the results were so surprising that I decided to continue the complete treatment, which I have done and I am now a different man.

"Dreco is a god-send and I gladly recommend it to anyone. I am 100 per cent. better in every way and have started working again.

"I have no more terrible pains and aches through my limbs and back and the use of a cane is no longer necessary. This improvement I feel is really wonderful for a man of 60 years of age to receive in so short a time. My health in general is greatly improved and I feel much stronger."

Dreco is a natural remedy prepared from roots, herbs, bark and leaves and tones and regulates all the organs of digestion, upbuilding the general health. It contains no mercury, poison ash or habit forming drugs. Long standing, obstinate digestive complaints yield readily to this reliable corrective.

Dreco is being specially introduced in Napanee by Wallace & Co., and is sold by a good druggist everywhere.

MOTHER OF LARGE FAMILY

Recommends Lydia E. Pinkham's Vegetable Compound to Other Mothers

Hemford, N. S.—"I am the mother of four children and I was so weak after my last baby came that I could not do my work and suffered for months until a friend induced me to try Lydia E. Pinkham's Vegetable Compound. Since taking the Vegetable Compound my weakness has left me and the pain in my back has gone. I tell all my friends who are troubled with female weakness to take Lydia E. Pinkham's Vegetable Compound, for I think it is the best medicine ever sold. You may advertise my letter."—Mrs. GEORGE I. CROUSE, Hemford, N. S.

My First Child

Glen Allen, Alabama.—"I have been greatly benefited by taking Lydia E. Pinkham's Vegetable Compound for tearing-down feelings and pains. I was troubled in this way for nearly four years following the birth of my first child, and at times could hardly stand on my feet. A neighbor recommended the Vegetable Compound to me after I had taken doctor's medicines without much benefit. It has relieved my pains and gives me strength. I recommend it and give you permission to use my testimonial letter."—Mrs. IDA RYE, Glen Allen, Alabama.

R. S. Richardson Takes Control Over Terminal.

One of Greatest Railway Centres in Canada, in Twin Cities, Formed After Merger of National Lines.

R. S. Richardson, heretofore Superintendent of the Lake Superior division and the Fort William terminal of the Canadian Government Railway, on Thursday assumes his new position as superintendent of one of the largest terminal systems on the continent, this new large terminal system being formed by the merging of the former Canadian government railway terminals and the Canadian National railway terminal with the new Neebing terminal now under construction.

Mr. Richardson, in his new position, will have charge of the Lake Superior terminal, which will extend from the Twin City junction to Current River, Port Arthur, and will include all terminal property being operated by the Dominion government at the head of the lakes. The terminal, when the Neebing yards are completed, which will be before the coming crop begins to move, will be second to none on the continent. The system will have direct connection to several of the largest elevators in the world and the main lines, which will feed the terminal, tap western Canada's most productive grain areas.

Mr. Richardson spent most of today inspecting the various terminal facilities which come under his jurisdiction as a result of the merger and his promotion to the supervising position.—The Daily Times Journal, Fort William, May 31st, 1923.

OBITUARY.

Mrs. Michael Asselstine.

Jane Ann Chatterson, beloved wife of Michael Asselstine, passed away on June 4th, at her late residence, Ernestown. She had been in poor health for some time, and on Saturday, May 12th, had a slight stroke from which she soon regained consciousness. But on June 4th another and more severe stroke followed, and in the evening of that day she peacefully slept away. Her daughter, Mrs. Shaver, of Winnipeg, and her two grandsons, Billy and Jack, were able to be with her the last ten days.

The deceased was the daughter of John and Elizabeth Chatterson, of Napanee, and is survived by her husband and two daughters, Frances, at home, and Mrs. J. M. Shaver, of Winnipeg; one brother, James, of Chicago, and one sister, Mrs. Eva F. Hill, Portland, Oregon.

She was 76 years of age, and on June 15th, five years ago, she and her husband celebrated their golden wedding anniversary. She had been a member of the Methodist Church since she was a young girl.

The funeral was conducted by her Pastor, the Rev. Mr. Dixon, of Odessa, at her late residence, on Wednesday, June 6th. The casket was covered with her favorite flowers, pink roses and lily of the valley, contributed by the Ladies' Aid, W. M. S., and family.

Mrs. James Wells.

Mrs. James Wells, whose maiden name was Permelia Dopking, was the second daughter of Nathanael Dopking and his wife, Eliza Hyland, and was born at Enterprise, in the Township of Camden, on May 20th, 1852. She was the fifth of a family of twelve children, of whom there remain five brothers and two sisters. About forty-five years ago she was united in marriage with James Wells and moved to Sheffield Township and later to McLean, where she spent a busy useful life. In 1894 her husband died and in 1913 their daughter Edith passed away. During her later years she resided with her daughter, Priscilla, Mrs. Milford Wagar, of McLean. After some months of illness she contracted pneumonia, and died on June 6th, 1923. The funeral service at the home was conducted by Rev. W. H. Webber, of Mountain Grove, and at Fifth Lake Methodist Church by Rev. M. W. Leigh, B.A., of Enterprise, and interment made in the Fifth Lake cemetery on June 8th. In addition to her only surviving daughter, five brothers, Charles, of Dexter, N.Y.; George, of Kingston; Reuben, William H. and Wilson, all of Enterprise, and two sisters, Mrs. D. Youmans, of Switzerville, Ont., and Mrs. J. Storey, of Moose Range, Sask., cherish the memory of her life.

Mrs. Wm. Snider.

Elizabeth Ann Snider, beloved wife of Wm. Snider, Violet, died on June 4th, at the General Hospital, Kingston, aged 62 years and 8 months. She was an industrious woman, a worthy citizen, and a good neighbour, always ready to do a favor for a needy person in time of sickness. She was one of the most highly esteemed residents of the place. She was converted to God several years ago and joined the Methodist Church and continued a member until death called her to the Church Triumphant. Rev. Mr. Merrick, of Morven, visited her regularly during her long illness, and she always expressed a bright hope for her future. The funeral service was held in Violet Church, on June 6th, at 2 o'clock, Rev. Mr. Merrick officiating. He chose for his text Revelations 21 : 4, from which he preached an eloquent sermon. The esteem in which deceased was held was shown by the number of friends and relatives who attended the funeral. The remains were interred in the family plot at Violet cemetery to await the resurrection of life eternal in that sweet bye and bye. She leaves to mourn her loss her beloved husband, one sister very ill in Kingston Hospital, and two brothers in Prince Edward County.

Address and Presentation.

A very interesting event took place on Wednesday evening, May 16th, at the home of Mr. and Mrs. W. R. Cade, Morven, when a large number of friends and relatives gathered together to celebrate the birthday of Mr. Cade's father, Wm. Cade, sr. Greater interest was added to the occasion when it was learned that next month Mr. and Mrs. Wm. Cade, sr., will celebrate their 64th wedding anniversary. A sumptuous lunch was served by the ladies of the party. Although taken by surprise, Mr. Cade thoroughly enjoyed the evening. After a very enjoyable evening all dispersed, wishing Mr. Cade many more happy returns of the day.

The following address was read and presentation made by two granddaughters.

Dear Mr. Cade,—We, your friends and relatives, have met here to-night to celebrate this anniversary of another milestone reached on your journey through life, and to try to show in a small degree our joy in God having in his mercy thus spared you to the good old age of eighty-two years. We sincerely trust you will be spared to celebrate many more anniversaries. We would ask you to accept this purse, not for its value, but as a reminder of our love and esteem.

Signed on behalf of those present.

Ella Thompson.

THE GRAHAM CO.
MEN'S WEAR

"Is May at home?" Bill asked the maid.
"May who?"—he had her guessing.
"Why, Mayonnaise." And then she said:
"Oh, Mayonnaise is dressing."

"Is the baby strong?"
"Well, rather. You know what a tremendous voice he has?"
"Yes."
"Well, he lifts that five or six times an hour."

Teacher to the class—Does anyone know how iron was discovered?
Pupil—Yes, sir.
Teacher—Well, tell this class your information.
Pupil—Please, sir, they smelt it.

They had been having a little quarrel and she turned to him with the tears in her eyes.
"Well, John, even though I have been extravagant, I got a bargain to-day."

"Papa, what does it mean when they say a hotel is run on the European plan?"
"Oh, that is where there is a constant shifting of boarders.

Husband—I'm tired of this eternal nagging. I wish you would let me alone. Thank the Lord there are no marriages in heaven!"
Wife: Well, there's a good reason. There aren't any men there.

N.C.I. Publication Praised.
The Toronto Globe, in its "Talks on Education" column, has the following to say about the N. C. I. publication, "The Torch":—"The Torch flashes the intellectual brilliance of the students of the Napanee Collegiate Institute. It shines brightly for an initial number, especially in the attractive cover page, designed by one of the students, and in the cuts of its athletic teams, boys and girls. An exclusive feature is its article, "Some of the Early History of Napanee". School journals might do well to cultivate this kind of work. The editors promise a better number for 1924."

Marsden Kemp,
Specialist in Piano Treatment and Tuning, wishes to call attention to the statement of an interested person, trying to get work under false pretences, stating that he (Mr. Kemp), died some time ago, but at the present moment Mr. Marsden Kemp is very much alive, and as usual attending to his business. Also Mr. Kemp is not bluffing the people with so many years' experience, some may assume can have experience, but he had nine years' training in all the Finer Branches of construction, and offered his services to his patrons, and holds the best record of any man travelling to-day, not having to canvas other than patrons in over twenty-five years, and possesses the recommendation of the best firms in Canada without asking for it. Any Firm's Pianos are equally considered. Orders at Wallace's Drug Store. 167 Collingwood Street, Kingston. 1403 M telephone. 25a

LACROSSE.

Napanee 4, Belleville 1.
The Napanee Juveniles played a scheduled game in Belleville on Wednesday evening, and won the game by a score of 4-1. The game was replete with good lacrosse and showed the splendid advance the locals have made since they started this summer. The periods ended 1-0, 2-1, 2-1, 4-1, all in favor of Napanee.

Deseronto 8, Belleville 5.
The Deseronto Midgets defeated the Belleville squad in the latter city, on Saturday last by a score of 8-5.

LIVE POULTRY FAIR.

The Live Poultry Fair was not the success that was anticipated, although a large number of good fowl were brought in and were ready on the market for sale. The local Agricultural Office had written to buyers of live poultry in Montreal, Toronto, Belleville and Kingston, and had fully expected there would be a number of buyers on hand to make good competitive bidding. Unfortunately, the buyers, for causes unknown, did not put in an appearance, and those who had organized the fair were, to say the least, very disappointed.

It was very unfortunate that the first fair should be apparently mismanaged, and it was intended to make this fair an annual one, and that it would in time grow to very large proportions. Our-dressed poultry fairs held each fall are, we are credibly informed, the largest of their kind in Canada, and there were hopes that this live poultry fair would also in the course of a couple of years grow to very large proportions and with corresponding advantage to all poultry raisers.

A Live Poultry Fair will probably be held again next year, and if so whoever has the organization of the fair in charge will be assured before the fair is advertised that sufficient buyers will be present to give real competition bidding for all poultry offered.

THE BANKRUPTCY ACT

In the Estate of Thomas W. Walker, formerly carrying on business as a Shoemaker in Napanee, Ontario, Authorized Assignor.

Notice is hereby given that Thomas W. Walker, of Napanee, Ontario, did on the twenty-first day of June, 1923, make an authorized assignment to the undersigned.

Notice is further given that the first meeting of creditors in the above estate will be held at the office of J. W. Simpson, Barrister, Napanee, on the fourth day of July, 1923, at three o'clock in the afternoon.

To entitle you to vote thereat proof of your claim must be lodged with me before the meeting is held.

Proxies to be used at the meeting must be lodged with me prior thereto.

And further take notice that if you have any claim against the debtor for which you are entitled to rank proof of such claim must be filed with me within thirty days from the date of this notice for from and after the expiration of the time fixed by subsection 8 of section 37 of the said Act I shall distribute the proceeds of the debtor's estate among the parties entitled thereto having regard only to the claims of which I have then notice.

Dated this twenty-sixth day of June, 1923.

The steamer was only a few feet from the dock when there was a sudden commotion, and a man came running madly from the dock gates, shouting to the officials to wait a moment.

Without pausing in his stride he flung his bag on the boat, took a desperate leap, and landed on the deck with a crash.

"Good!" he gasped. "A few seconds later I should have missed it."

"Missed it!" exclaimed the officer who helped him to his feet. "This boat is just coming in."

NEWBURGH.

The death of Mrs. John N. Madden took place on Friday evening last, after a long illness. Perhaps the best eulogy we can bestow on anyone is that they have not been talked much about, and that they have had little to say about other people. This is true of Mrs. Madden. She was one of those who doeth good and thinketh no evil. She was of a kind and hospitable disposition and her good deeds live after her. She leaves a husband and one daughter, Mrs. Topham, of Montreal, who have the sympathy of many friends.

Mr. David Cameron, who left his farm in Camden last fall, and came to the village to live, has been ailing for some time, and is at present in a very low condition. Mr. Cameron fell from the scaffolding to the barn floor some years ago, injuring his spine, which resulted in paralysis, and leaves very little hope of recovery.

Mr. Fairbairn is engaged making cement blocks to be used in constructing steps in front of the school building.

The election passed off quietly here. The vote polled was light. Mr. W. D. Black had a majority of 85. The feeling is one of relief at the results of the election in the Province. Experiments such as we have had are costly and leave a hard situation for the incoming government to face.

Rev. Mr. Noble will preach to the Orangemen on Sunday next, at 7.30 p.m. Members of outside lodges are cordially invited to attend. The Orangemen will meet at their hall at 7 o'clock and march in a body to the church.

CASTLE DILLENEUVE, PICTON.

A first class Summer Hotel in 18 Acres of Finely Timbered Grounds on Water Front.

Will open for the season's business on Saturday next, June 30th. Moderate and inclusive terms, good meals. Pure spring water, home-grown fruits and vegetables; every facility for a real holiday. The best of fishing, boating, bathing and golf; dancing every evening in beautifully decorated 40 ft. ballroom.

The first public dance will be on Monday next, July 2nd. Admission $1.25 for double ticket, 75c. single, inclusive of all dancing privileges and light refreshments.

Note: If you have not already made arrangements for your holiday, come and see this lovely old Manitou House and you will want to stay.

Orange Celebration at Kingston

The celebration on July 12th in Kingston falls on the anniversary of the Battle of the Boyne, 1690, and on the anniversary of the founding of the City of Kingston, 1673.

Invitations have been sent to the Orangemen of all Eastern Ontario and Northern New York.

A monster parade will leave the Market Square at 1 o'clock, City time, for the Fair Grounds.

Speechee by Dr. Edwards, General Ross, and others, will take place in front of the Grand Stand.

Dancing will take place in the Crystal Palace, on the grounds.

Free admission to all.

The Ladies' Orange Lodge will supply refreshments.

Arrangements have been made for visitors to inspect the Royal Military College, the Penitentiary, and other public buildings.

Kingston Great War Memorial will be an exhibition and speakers provided for explaining the different features commemorated.

Special Hotel accommodation has been reserved for American visitors. 26bp

Mrs. George Davis.

Death has once more visited Westplain, taking for its victim Eliza Ann Pringle, beloved wife of Mr. George Davis. She was born in the township of Richmond on August 30th, 1866, was united in marriage to Mr. George Davis in May, 1883, and moved to the farm where she resided until her death. About eight years ago she contracted that dread disease diabetes. Being very ambitious, she kept doing her housework, but would often pray, if it was God's will, she would like to die suddenly. On June 11th, 1923, she arose feeling as well as usual. She went out and fed some chickens, returned and was preparing breakfast. Feeling the chilly hand of death she called to her husband to catch her, and instantly the end came. Death had no sting for her. She was converted to God when but a young girl and ever after endeavored to set a Godly example in her home and in the community in which she lived. As years rolled by she kept seeking after the deeper things of God, and this grace stood by her. Although getting weaker in body she seemed to get stronger in God. She bore her sufferings with christian fortitude. She will be greatly missed in her home by her husband, who shared over forty years of joy, cares, and disappointments of life; also by her children, as she was a loving mother. She will be missed in the community in which she lived. She will be greatly missed in the H. M. Church, in which she worshipped, as she always took a prominent part. Those who met with her from Sabbath to Sabbath will not soon forget our sister's smiling face, and how God's blessing streamed in her heart as she testified to God's power to save and keep. The day before her death came she motored to Sydenham to the camp ground, and there gave her last testimony of the goodness of God to her, and when she was about to leave the camp ground she asked her former pastor if he would come and preach her funeral sermon when she died. She leaves to mourn her loss, a loving husband, one son, Leslie, of Forest Mills; two daughters, Mrs. Adam Wayte, of Westplain; and Bessie, at home; also a mother, five brothers and three sisters, Enos and John, of Napanee; Mark, of Roblin; Frank, of Orillia; Harry, of Sharp's Corners; Mrs. Jos. Snider, of Napanee; Mrs. Milo Cole, of Toronto, and Mrs. Benj. Young, of Roblin. The funeral service was conducted by the Revs. J. W. Campbell and R. M. Hammond in the H. M. Church at Roblin. An unusually large crowd gathered to pay their last respects to the departed. Interment was made in Roblin cemetery. —Rev. R. M. Hammond.

BIRTHDAY CELEBRATION.

On Thursday, June 21st, 1923, about forty-six relatives and friends gathered at the home of Mr. F. W. Tompkins, Newburgh, to celebrate the birthday of Leonard Drury, father of his mother, Mrs. Harriett Tompkins. It was the occasion of a family reunion, there being present Mr. and Mrs. J. A. Tompkins, Mr. and Mrs. D. B. Ruttan, Mr. and Mrs. Tommy Tompkins, Misses Mabel and Lena Tompkins and Beatrice Ruttan, Messrs. Percy, Harry, Archie and Wilfred Tompkins, of Bath; Leonard Drury, Harvey Tompkins and Mr. Turner, of Kingston; Mr. and Mrs. Frank Tompkins and three children, of Strathcona; Kenneth, Earl, and Bessie Tompkins, Mrs. Elida Farris and daughter, Bertha King, of Newburgh; Mr. and Mrs. Fred Reed and two children, Mr. and Mrs. John Cliff, of Napanee; Mr. and Mrs. George Fireland, of Deseronto; Mr. and Mrs. Wm. Shannon, of Strathcona; Mr. and Mrs. Harry Sutton, Rev. and Mrs. George Nickle, of Newburgh; Rev. and Mrs. Huffman and daughter, of Bath; Miss Erma Faulk, of Denbigh.

A bountiful supper was served at 8.30, after which Rev. Mr. Nickle proposed a toast to the health and long life of Mrs. Tompkins, to which she promptly responded, being able, in spite of her advanced years, to converse on the modern topics of the day, from the time of the reign of Queen Victoria, down to the present. She also does quite a lot of sewing, and often enjoys a car ride.

One brother, Mr. George Pearson, Sr., of Desoronto, Ont., survives the surviving children of a family of twelve, owing to illness, several of whom invited relatives to be present, but of her four children all were present except Charles, of Watertown, N.Y.

Mrs. Tompkins was the recipient of many nice and useful gifts, after supper the time was spent in general conversation, and interesting talks by Rev. Mr. Nickle, Rev. Mr. Huffman, John Cliff, J. A. and F. W. Tompkins and D. R. Ruttan.

About 11 p.m. all departed for their respective homes, wishing for Mrs. Tompkins the return of many more birthdays.—From Kingston papers please copy.

Once more the cause of Conservatism has triumphed in the Province of Ontario, and the sweep of Hon. G. Howard Ferguson and his followers at the polls on Monday is one of the most remarkable turnovers which has ever been witnessed in this province. There have been surprising turnovers in this province of battling elections; and while it has been conceded for many days that a Conservative Government was assured with Hon. Mr. Ferguson at the head, the returns of Monday were rather more gratifying to the Conservative cause than even the most optimistic could have hoped.

For the clean sweep of the old Administration, Mr. Hambly was successful in the outlying municipalities, polling majorities totalling 216, while Dr. Vrooman received a majority of 289 in Napanee, and 54 in the country.

HON. G. HOWARD FERGUSON

ONTARIO'S NEW PREMIER

Drury members was one of the sternest fighters which the people of this province have ever administered to any form of Government. For not only was the Government defeated, but at least half the old Cabinet was cast aside by the voters, while Premier Drury went down to defeat in his riding in Halton.

There have been defeats before, and there have been sweeps, but never before has there been witnessed the spectacle of the party leaders defeated at the polls. For that was the fate of Hon. E. C. Drury, leader of the Farmer-Labor Government, and of Mr. F. Wellington Hay, leader of the Liberals. On top of this the sweep in the Government Cabinet was a remarkably clean one, Hon. H. C. Nixon, Provincial Secretary; Hon. R. H. Grant, Minister of Education; Hon. Peter Smith, Provincial Treasurer; Hon. Walter R. Rollo, Minister of Labor; Hon. Harry Mills, Minister of Mines, and Lt.-Col. Carmichael, Minister without portfolio, all falling by the wayside.

THE RESULT IN LENNOX.

The result in Lennox was a complete turnover from the last Dominion Election, when the town gave a large majority for the Conservative candidate and the outlying municipalities were against him. This year the town gave the Liberal candidate a large majority and the country voted Conservative. Dr. Vrooman had a splendid organization behind him, who worked faithfully for his election. Mr. Hambly was also a strong candidate,

How to Make Raspberry or Blackberry Jam

Crush about 7 cupfuls of ripe berries before fire and stir in half a box of Certo. Bring mixture to a boil, then add sugar (about 7 cupfuls) and bring to a full rolling boil that cannot be stirred down. Boil hard for exactly one minute, remove from fire, skim, and stir alternately for 5 minutes, *by the clock*, to cool slightly and prevent fruit from floating. In the meantime, wash jelly glasses, fill to overflowing with boiling water, let stand a few minutes, then drain. Fill glasses with jam to within 1/8 inch of top, and cover at once with hot paraffin. If jam is not quite thick enough, next time use a little less sugar. If too thick, add a little more sugar. Put on paraffin covers as directed in Certo booklet. Label glasses, and set away in a cool, dry place. Do not use Certo in cooking fruits to sterilize the jars.

W. C. T. U. CONVENTION.

The 14th annual W. C. T. U. County Convention,—Hastings, Lennox and Addington and Prince Edward—was held in the Methodist Church, Picton, on Thursday and Friday, May 31st and June 1st, 1923.

The convention opened at 10.30 a.m. Thursday morning. The opening devotional service was led by Mrs. (Rev.) Shorey and Miss Thorn, of Picton. Mrs. Shorey, in a few remarks, referred to the late Letitia Youmans as the mother of the work in this district. "Praise God From Whom all Blessings Flow" being sung, Miss Cunningham, deaconess, led in prayer. The scripture lesson was read by Miss Thorn, after which the hymn, "Work, Sisters, Work", was heartily sung by all present.

The officers then took the platform with the President, Mrs. Gibson, of Belleville, in the chair. The minutes of the Executives, which were very promising, were then given, followed by the nominations of the several committees. Mrs. Currie, of Trenton, closed the morning session with prayer.

The afternoon session opened with a good attendance, Mrs. Pringle, of Selby, opened the meeting with the hymn, "All for Jesus". She then gave a short address on "Loving Service". She said the one great commandment she thought was "Thou shalt love thy neighbor as thyself". She brought out very forcibly many good thoughts showing how we might as a people serve one another. Loving service cannot be bought, it is given away. What the world needs to-day is smiles. No one can say they have done their share while anything remains to be done. She closed with:

"If you cannot on the ocean
Sail among the swiftest fleet,
Rocking on the highest billows
Laughing at the storm you meet.
You can stand among the sailors
Anchored yet within the bay,
You can lend a hand to help them
As they launch their boat away."

Mrs. Blanche Smith, of Picton, gave the address of welcome and Mrs. Pugsley, of Toronto, replied in a few well chosen words referring to the late Mrs. Youmans as the founder of the W. C. T. U. in Picton.

Mrs. (Dr.) Gibson then gave a very pleasing solo.

A Quiz on the different departments of work was then held which proved very interesting to all present.

Mrs. Pugsley, of Toronto, who is Provincial President, gave us a very profitable talk on the wonderful work being done by the W. C. T. U. missionaries in lumber camps and in the northern part of Ontario. Law Enforcement, Scientific Temperance, Health and Heredity were also discussed by the speaker.

Just before closing Mrs. Graham, of Trenton, was called to the platform and presented with a County Life Membership Pin by a friend in Trenton. Mrs. Pugsley presented the pin with a few words to Mrs. Graham to whom it was a great surprise.

Mrs. Crowe, of Trenton, closed with prayer.

Thursday evening's meeting was opened by Rev. Mr. Meller, Pastor of Picton Methodist Church. After the singing of the hymn "Forward Be Our Watchward", he read the first five verses of the 13th chapter of Romans and led in prayer. In a short address Mr. Meller welcomed the delegates on behalf of the Church and himself.

He then called Mr. Newman, Mayor of the town, to welcome the delegates on behalf of the town which he did in his usual good manner.

Music by the choir then followed, which was enjoyed by all. Mrs. Pugsley was called to the platform, her subject for the evening being "Retrospect and Prospect". In opening her address she referred to primitive times when the attempt was made to solve national problems by appeal to an oracle. Subsequently the rule of the king had been supreme but gradually it had become the custom of civilization advanced for the voice of the people to decide. She emphasized the power of the ballot in the hands of which all written law must be based, the code of honor and code of morals the righteous conviction of the people. This had been behind prison reform, the abolition of slavery, and had led to the enactment of temperance legislation. While the politician studies to be popular or obtain wealth, the statesman ponders national questions endeavoring to establish and promote righteousness in the land and the enactment of such measures as will tend to protect the weak. The speaker enumerated several arguments advanced by those who desire the appeal of bte. O. T. A. easily refuting them and showing their motive to be entirely selfish. Mrs. Pugsley had no wish to introduce politics into the W. C. T. U., but urged her hearers to support those candidates whom they knew to be loyal to the temperance cause.

Rev. Dr. Shorey gave a very inspiring address urging the ladies on in their good work.

Friday morning session opened at 9.30, with Mrs. Vine, of Napanee, presiding over the devotional period. The key note of each session was one of true praise and loyalty to our heavenly father.

Then followed the election of officers, which resulted as follows:

Hon. President—Mrs. Williams, President—Mrs. Gibson.
Cor. Sec.—Mrs. Rockwell.
1st Vice Pres.—Mrs. Miller.
Treas.—Miss Reeves.
Rec. Sec.—Miss Farley.
2nd Vice Pres.—Mrs. Graham.
3rd Vice Pres.—Mrs. Case.
1. T. L. Sec.—Mrs. Denison.
Y. Sec.—Miss May.

Mrs. Cole, of Belleville, closed the morning with prayer.

The afternoon session opened with the hymn "Take Time to be Holy", after which Mrs. Lockwood's several of the ladies take part in the scripture lesson, Mrs. Graham leading in prayer.

Miss Reeves, of Belleville, then gave an excellent paper.

Friday evening the programme was prepared by the Picton Union and T's consisting of a pageant put on by the little folks of the town and which was enjoyed by all present. Readings, music by the Orpheus Quartette and the "Y's".

Mrs. Pugsley followed with an address dealing with the subject of the sale of liquor under Government Control showing that it was not a new method, as its advocates would desire the voters to believe but that it had been tried in Norway, Sweden, Denmark and Russia with disastrous effects. Government Control had been tried in Saskatchewan and voted out by a majority of more than 4 to 1. The opponents of the O. T. A. will support men who will favor a less drastic law and one less easily to enforce. They hope to gain their end by persistent lobbying. The temperance people should be well organized and alert. Alcohol is the same poison whether sold over the open bar or under Government Control. It is impossible to improve an evil. It must be abolished. These few notes do scant justice to Mrs. Pugsley's logical and forceful addresses which were followed with earnest attention.

The National Anthem was then sung and a very successful convention was brought to a close.

Plan of Work.

This committee met Friday morning and recommended:

1.—That we affirm our faith in the necessity for and efficiency on Scientific Temperance, teaching in the public school and that we adhere steadfastly to our old and new purpose of securing for all the children that pass through our schools a knowledge of the same of health and wisdom of total abstinence from poison, such as tobacco and alcohol and urge on the Union to put forth every effort to organize an L. T. L. in every school.

2.—Be it recommended that the W. C. T. U. take a deeper interest in the public libraries of our province and do all in their power to create a higher moral tone in the books and magazines circulated.

3.—Recommended that sufficient programs be sent by the county executives to the entertaining W. C. T. U. that they may more widely announce to the public the speakers and subjects of their addresses.

4.—Recommended that we as a County W. C. T. U. deplore the demoralizing suggestions of funny pictures published in our weekly and daily papers and the bill boards placed at the entrance of the picture shows.

5. Be it known that the W. C. T. U. strenuously objects to the tented shows now being operated by amusement companies engaged at our fall fairs throughout the province.

6.—Recommended that with greater earnestness we urge our unions to observe the week of prayer. We would also suggest that the subject of our young women including our Y Unions should be stressed in address and especially in prayer.

7.—In view of the uncompromising stand taken by our Attorney General, Mr. Raney, concerning race track gambling and the enforcement of our Ontario Temperance Act, then be it resolved that we the members of the W. C. T. U. of the counties of Hastings, Lennox and Addington and Prince Edward in convention assembled, extend to him our heartiest appreciation of his splendid efforts.

Resolutions.

The Resolution Committee met Friday morning and reached:

1.—That as the O. T. A. was made permanent by the overwhelming majority of the electors of the Province and whereas the working of the Act has been eminently satisfactory in reducing drunkenness, disorderly conduct, poverty and other offences chargeable to the liquor traffic and whereas the Moderation League of Ontario has wilfully declared its policy of Government Control which is but another name for Government Sale of intoxicants. Therefore be it resolved that the W. C. T. U. will support only those candidates who have declared themselves favorable to the strict enforcement of the O. T. A. as it now stands.

2.—That the W. C. T. U. persist in urging that the public school teachers co-operate with the teaching of scientific temperance that the children may be more thoroughly instructed in the laws of health and thus guarded against the evil effects of the poison from tobacco and alcohol.

3.—That whereas the use of cigarettes continue to an alarming extent, we propose to beseech the parents to watch the growing boys and girls of the awful danger of their health, morals, future happiness and usefulness as we know they can never hope to measure up to the standard efficiency test of our Canadian manhood if addicted to this habit.

4.—That adultery be made a crime. That imprisonment as well as fines be imposed for such offence and that boarding and rooming houses be licensed.

5.—That we stand opposed to the dance halls under present conditions would urge that proper chaperons be appointed and said halls closed before midnight.

Chevrolet—the World's Most Economical Car to Operate

CHEVROLET is not only the world's lowest-priced, fully-equipped automobile, but it also costs less to operate than any other car built. It delivers the most economical transportation available in motoring.

In actual figures Chevrolet costs less per mile in consumption of gasoline, oil, tires, and in general upkeep and maintenance.

Only great engineering, research, manufacturing and purchasing capacities made available by the greatest automotive enterprise in the world—the General Motors Corporation—could make possible so fine, complete and advanced an automobile as Chevrolet at so low a price.

See the New Chevrolet before you buy a car at any price. 67 distinct improvements have made it even better than the car that startled the world in 1922.

HOFFMAN CENTENNIAL CELEBRATION

MOSCOW, ONT. JUNE 20th, 1923.

The celebration of the Hoffman Centennial was held on Wednesday, June 20th, 1923, at the old Hoffman homestead, and now the modern residence of Mr. Amos Hoffman. The spacious lawns, which were decorated with bunting, flags, evergreens and Japanese lanterns, presented a picturesque scene, which well supported the slogan, "Lest we forget", which was suspended from the vine-clad porch.

This most unique occasion was organized by an enthusiastic and capable committee, with Mr. and Mrs. Amos Hoffman ably acting as convenors. The purpose of this historic event was to commemorate the lives of two distinguished United Empire Loyalists who were the first pioneers to penetrate north of the Bay of Quinte.

There were present a large concourse of descendants of these two worthy pioneers, namely Jacob and Elijah Hoffman. In the forenoon the relatives gathered at Moscow cemetery, where Rev. J. W. Dorn conducted an appropriate memorial service, while tributes of flowers and flags were placed on the graves of the sacred memorials of Jacob and Elijah Hoffman.

On arriving at the residence, the relatives were given a hearty welcome by the chairman of the Reception Committee, Mr. Amos Hoffman, after signing Ye-Olde-Time Hoffman register, the guests listened with intense interest to the address delivered by W. S. Herrington, K.C., Napanee. Mr. Herrington outlined the genealogy of the Hoffman progenitors; from the reign of Queen Anne, in 1760, through the period covering the migration of the United Empire Loyalists to the wooded shores of the Bay of Quinte. The speaker specifically mentioned the fact that this was the first family centennial which, to his knowledge, had been celebrated, and that the descendants were maintaining their self-respect, pride and good citizenship by commemorating the lives of such highly principled native builders, namely Jacob and Elijah Hoffman. Those resourceful and sturdy settlers in blazing a trail under adverse conditions, and hewing from a dense forest a clearing for a home, made the humble beginnings of this loyalist settlement at Moscow, Ont. A pride of race and principles determined to seek out a location for themselves where they would be privileged to enjoy British freedom, and where they would not be in jeopardy of losing their traditional sentiments and identity through being absorbed in an overwhelming mass of revolutionists in United States.

Strengthened by their desire for loyalty and ambition to progress they were content to be pilgrims, living on the bare necessities of existence, in a strange and sparsely settled country, at the expense of extreme toil and hardship. Fortunately, small things did not discourage them and the persevering characteristics have come down since been the distinguishing marks of the descendants of the Hoffman family.

Reference was made by the chairman, Rev. Archibald Hoffman, to the recent illustrated volume, compiled by the late Emily Hoffman-Bogart. It was the purpose of the authoress in compiling this informational edition, dedicated to the Hoffman generation, to further cement the family loyalty and enkindle a renewed interest in the traditions of the respective forefathers, by having a centennial Hoffman re-union. The chairman referred to the noble Christian character of the late Mrs. Marshall Bogart, and expressed the feeling of the relatives in not having the honor and privilege of her personality present, to complete this memorial event. The chairman read telegrams from relatives from all parts of Canada and United States, extending their best wishes for this historic occasion.

Rev. Mr. Hoffman introduced the guest of honor, Mrs. Emily Hoffman-VanLuven, the eldest surviving member of this interesting lineage of Hoffman descendants. Mrs. VanLuven received the congratulations from the entire assembly of relatives, she was presented with a beautiful bouquet of American Beauty Roses, and the guests joined in singing "Blest be the Tie That Binds Our Hearts in Christian Love".

At the conclusion of the memorial exercises over two hundred guests partook of the bounteous banquet, which was most elaborately served on the lawn in the shade of the stately elm trees planted by Jacob and Elijah Hoffman. The Yorker Orchestra furnished excellent entertainment during the banquet hour. Directly after this sumptuous dinner, Rev. A. Hoffman conducted baptismal services for the youngest relatives of the Hoffman generation. The children, christened in the sacred rights of the Methodist baptism, were Master Samuel Donald Dennison Asselstine, only son of Mr. and Mrs. Isaac Asselstine, Napanee, and Master Lyle Clifton Hoffman, only son of Mr. and Mrs. Ottis Hoffman, Moscow.

Rev. W. R. Sprague, Gananoque, extended congratulations to the Hoffman relatives were the descendants of such examples of noble manhood, which were characteristic of the United Empire Loyalists, and of the Hoffmans in particular. Rev. Mr. Spencer stated that the pioneer conditions and the stability of Jacob and Elijah Hoffman were not dissimilar to that of Jacob and Elijah, the Eastern men of old. Congratulations and reminiscences of past events were offered by several prominent neighbors, namely Mr. J. Foster, Mr. W. A. Martin, and Mr. H. A. Baker. A hearty vote of thanks was tendered to Mr. W. S. Herrington, K.C., and all the speakers for their careful consideration to the subject of their remarks, and for so ably presenting the outstanding characteristics of the hardy pioneers.

It was moved by Mr. W. A. Martin, and seconded by Mr. H. A. Baker, that the sincere appreciation of all assembled be given to Mr. and Mrs. Amos Hoffman, who most hospitably granted the use of the old homestead for this momentous re-union, and, with their Service Committee, managed to conduct a well organized celebration to a successful conclusion.

A buffet luncheon was followed by an excellent evening program, provided by the members of the Yorker Orchestra. This program was enjoyed by all the neighbors and friends who gathered to share the hospitality of the Hoffman family. This event concluded with community singing and fireworks.

The relatives signed the guest register at the desk formerly used by Elijah Hoffman when he served the county as Justice of the Peace, and drew up the wills and deeds for the early settlers. Among those present were Mrs. Emily VanLuven, Kingston, Ont.; Mr. and Mrs. Amos Hoffman, and son, Donald Hoffman; Mr. and Mrs. George Hoffman, son, William, and daughters, Georgie and Mary Hoffman Evans, Moscow; Mr. and Mrs. Ottis Hoffman and family, Moscow; Mr. Miro Hoffman, Kincardine; Mr. and Mrs. T. Harris, Ripley, Ont.; Mr. and Mrs. Milton Hoffman, Mr. and Mrs. Hiram Hoffman and family; Mr. Henry Hoffman; Mrs. Bella Hoffman-Bumbaugh, Moscow, Ont.; Mr. and Mrs. George Sharpe; Mr. and Mrs. Tillison Asselstine; Mr. and Mrs. Isaac Asselstine and family; Mrs. Elmira Hoffman-Asselstine; Mr. and Mrs. E. Lennox and Addington Poultry Culling Campaign, 1923.

Applications for Culling.—No. of Centres, 17; No. of Flocks, 198; No. of Hens, 11449; Average No. of Hens per Flock, 57.8.

Results of Culling.—No. of Centres, 17; No. of Flocks, 158; No. of Hens, 8426; No. of Culls, 1678; Per Cent. of Culls, 19.9.

Breed and Variety Classification of the 158 Flocks Culled.—Barred Rocks, 71; Rhode Island Reds, 15; Wyandottes, 20; Leghorns, 3; Mixed (mostly heavy breeds) 49.

No. of Hens per Flock.—The smallest flock consisted of 15 hens. The largest flock consisted of 134 hens. The average number of hens per flock of the 158 flocks culled was 53.3 hens.

Remarks:—Paragraph No. 2 shows that 158 flocks and 8426 hens were culled, whereas, the applications called for 198 flocks and 11449 hens. The difference may be explained by the fact that 40 farmers, who made application for flock culling work, decided when the cullers called at the farm, not to have their flocks culled. As the work was entirely optional, we did not endeavour to coax any farmer to have his flock culled if for any reason he did not wish to have it done. There was also a difference between the number of hens recorded by a farmer, for culling, and the number of hens culled. For instance, very few men knew exactly the number of hens they had on the farm. They would record 80, which was possibly the number they had last fall, but after the hens were culled, possibly they would only have 65. I presume that the balance had died since last fall and this summer. We found out in doing the culling work that tuberculosis is very prevalent among farm flocks. Many farmers state that their birds would lose in weight, go lame, and then die. Few were aware of the actual cause of death. In these cases, the cullers advised that such birds be immediately killed and burned or buried in lime. The average number of hens kept on the average farm is much lower than we had anticipated. If the motto, "100 hens per farm", is our ideal, we have a long way to go before that record is reached, because our culling records show an average of only 53.3 hens per flock on each farm. The work was educational. Farmers received detailed instructions and were given practice in culling their own flocks, in order that they would be able to do the culling themselves another year. Breeding pens were selected for several poultrymen for the purpose of improving their flocks and maintain the size and vigour of the offspring. Farmers were advised to use two-year old hens and yearling cockerels. The tendency is to use pullets and cockerels, and as a result, the size of the birds in many flocks was smaller than desirable.

MEDICINE FROM MEAT.

Using the By-products of Slaughter Houses.

In the course of an article in "Canquest," Mr. Charles Elliot deals with the enormous developments made in recent years in the utilization for the benefit of mankind and the profit of manufacturers of the by-products of the slaughter houses of Chicago.

"Not only," he says, "is the blood ill collected, tested, and converted into cattle food and fertilizers, but to-day the greatest care is exercised in the collection of glands, lining of internal organs and various chemical juices. Some of these play a part in the manufacture of sutures, joint joints and inks, but their most important use is in the preparation of valuable medicines.

"Of the products of this type, the most important are pepsin, pancreas, and pituitary liquid. Pepsin, a valuable specific for indigestion and stomach troubles generally, is prepared from the lining of the pig's stomach. Pancretin, employed as a medicine and for peptonizing the food of infants and invalids, comes from pigs' sweetbreads. From the pituitary glands of sheep thyroid powder and tablets are prepared, and pepsin is the curdling ferment from the calf's stomach which is used in cheese making, and in the preparation of the toothsome table delicacy known as Devonshire junket.

"Supra-renal preparations, made from the glands located just above the kidneys of sheep, are used externally and from the assistance is prepared astringent and heart stimulant called suprarenalin, which is worth something like $5,000 per pound, over 130,000 sheep being necessary to produce that weight of suprarenalin. Pituitary products, derived from a gland located at the base of the sheep's brain, are of immeasurable service to the medical profession.

"Soap-making is one of the most important adjuncts of the butchering industry. The basis of soap-making to-day is high-grade tallow. From this, scientifically the amount of fine toilet soap of every kind is prepared, as well as washing powders, toilet balms, talcum powder, face cream, and smelling salts. An important by-product of soap making is glycerine. At the present time there is a serious shortage of glycerine in addition to its medicinal uses, is largely employed in the manufacture of explosives."

HOW TO AVOID RICKETS

A Nutritional Disease Affecting Young Animals.

Sometimes Called "Bullnose" and "Snuffles" — Caused Largely by Unfavorable Conditions—Prevention and Treatment—Get Rid of Chronic Runts.

(Contributed by Ontario Department of Agriculture, Toronto.)

The occurrence of this disease in young animals seems to be largely caused by unfavorable conditions of life, inducing impaired nutrition of the body. In particular there appears to be a lack of bone development, due to a deficiency of lime salts and other bone-forming elements in the body. Lack of exercise and close confinement in damp quarters are predisposing influences and are a cause of the disease occasionally in foals and calves.

In pigs the disease occurs generally soon after weaning time and particularly in litters born during the late fall and winter months. At this time, improper feeding of the young pigs associated with exposure to inclement weather and close confinement in cold damp quarters combine in accentuating the tendency towards faulty nutrition and ill-health, which are forerunners of Rickets. The feeding of young pigs excessively on corn and also keeping them exclusively on a sloppy diet of buttermilk is at times responsible. In some cases there appears to be an inherited tendency in litters, due possibly to errors in the management and breeding of the sow while pregnant, and after farrowing.

Symptoms.

In the case of calves and colts becoming affected with Rickets, they appear unthrifty and develop imperfectly. The bones of the legs become softened so that they gradually bend and become distorted, causing the animal to be bow-legged and enlarged at the joints, and otherwise unsightly shaped. They are prone to lie down a great deal of the time, and in walking they move stiffly. The backbone also becomes crooked in some cases. Young pigs frequently become affected and, at first, appear to thrive poorly and have an abnormal appetite. This causes in them a craving for dirt and to keep picking up and chewing pieces of stick and bones. They soon begin to develop abnormally and disproportionately, while remaining stunted in growth. They become pot bellied and the head enlarges, giving it a bulging appearance, with the snout deformed, hence the name "Bullnose" being used. They may also breathe with a snuffling sound, while the head remains large. The skin often becomes dry and eczemaed and cracked and gets discolored with dirt, giving a black scaly appearance to white pigs. Sooner or later, the bones of the legs begin to bend and they become deformed. This causes the legs to become badly bowed and makes them walk very stiff and awkward. The joints become enlarged and the pigs lie down a great deal of the time and, on rising, they keep resting on their knees. The lower ends of the ribs also become enlarged and seem to bend inwards under the body. At times many of the rickety pigs become troubled with piles and prolapse of the rectum, causing it to protrude as a red tumor-like mass behind. Finally they become miserably wasted and thin and remain worthless stunted mortals of no value.

Prevention and Treatment.

To prevent the occurrence of Rickets, one of the chief essentials is maintaining a proper mode of living for the mother while pregnant and for the young during early life. This entails rational dieting according to their needs, combined with comfortable living quarters and a reasonable amount of regular exercise and outdoor life in fine weather. In the case of colts being raised artificially on cows' milk, it should be diluted with about one-third water and sweetened with a little sugar. In the case of pigs they must receive suitable diet after being weaned. They should not be fed exclusively on dry corn, nor on chopped oats composed largely of the hulls, nor entirely on buttermilk. In winter, young pigs should be given a clean, dry, warm, place to sleep in and the feeding method be changed daily. This is particularly essential in the case of late fall and winter litters. The diet should be suitably balanced and consist of a mixture of ground oats free from hulls, corn meal, ground barley and shorts with a little salt, chalk and charcoal added from time to time. The feed should be given mixed with milk or water as a thick slop. A little ground oil cake or bone meal and skim milk is also good. As the pigs increase in size the diet can be gradually changed. They should be allowed plenty of range and pasture in summer. When young pigs are noticed showing a tendency of developing Rickets, the progress of the disease can often be arrested and a complete recovery obtained, if taken in time, by changing and supplementing their diet with dodies. The diet should be arranged as already described, with the addition of some charcoal and ground bone meal. To the drink can be added lime water and to the feed a teaspoonful of cod liver oil from one part, bicarbonate of soda and charcoal four parts. These ingredients are mixed thoroughly together and a spoonful of the mixture added to the feed allowance of each pig once or twice a day. In cases of pronounced Rickets in pigs, where they cannot be given cod liver oil, it is not worth treating and should be got rid of.—C. D. McGilvray, Principal, Ontario Veterinary College, Guelph.

Inca Land.

Hiram Bingham has just published a book, "Inca Land," in which he describes the famous Yale expedition into Peru, of which he was the director. Life as he lived in the Andes has a number of points of difference from that in the New England states. For instance, he says that in Peru the housewife keeps fat little guinea pigs running around her kitchen floor to fill in for any emergencies, much as the American will have a few tins of sardines and cans of preserves on hand. A guinea pig, he points out, is, in spite of Ellis Parker Butler, not a pig, and it does not comes from Guinea. It is more of a rabbit than anything else, and for thousands of years it has been a prized article of food in the Andes of Peru. Why, he wonders, should the North American guinea pigs be kept only as pets or laboratory victims? The meat, he says, is delicious and not unlike squab.

When a Penguin Woos.

The quaint love-making habits of the penguin were described recently by Surgeon-Commander Murray Levick.

"The male birds," he said, "go from nest to nest in parties, and when one of them sees a hen which takes his fancy he places a pebble at her feet. If a pebble cannot be found, the male goes through the process in dumb show.

"On one occasion," continued Commander Levick, "a member of my party was sitting down watching the birds when a male came up, examined him closely for some time, and then solemnly picked up a pebble and placed it at his feet. The man did not know what to do, and the bird, finding its advances ignored, inspected the strange, silent animal, nibbled at him again, and then went off.

Biblical Book Titles.

The Bible has probably provided more titles for novels than any other volume in the world's literature.

The latest example is Mr. John Freeman's recently published book, "This My Son."

Other instances are: "A Fountain Sealed," by Sir Walter Besant; "Whosoever Shall Offend," by F. Marion Crawford; "A Daughter of Heth," by William Black; "Many Inventions," by Rudyard Kipling; "The Wages of Sin," by Lucas Malet; "Where Love Is," by W. J. Locke; "None Other Gods," by R. H. Benson; and "The Way of an Eagle," by Ethel M. Dell. The list could be continued indefinitely.

GETTING RID OF WEEDS

Results of Co-operative Experiments on Ontario Farms.

Over Eighty Farmers Have Experimented—Rape for Perennial Sow Thistle and Twitch Grass—Eradication of Bladder Campion and Cow-Bell.

(Contributed by Ontario Department of Agriculture, Toronto.)

In 1911 experiments were begun with the object of gathering data from which definite statements might be made regarding the best methods of controlling the various bad weeds of the Province. In this connection over eighty farmers have carried on successful experiments on their own farms under instructions sent from the Director at the O. A. C., Guelph. The weeds experimented with were Perennial Sow Thistle, Twitch Grass, Bladder Campion or Cow Bell, Wild Mustard, Ox-Eye Daisy, Field Bind-weed, Wild Oats and Chess. In nearly every instance they cleaned the field experimented with, and demonstrated to their own satisfaction the effectiveness of the method tried.

As a result of the data gathered from these experiments it is now possible to recommend with confidence definite methods for the eradication of such weeds as Perennial Sow Thistle, Twitch Grass, Bladder Campion and Wild Mustard.

The Rape Method for the Control of Perennial Sow Thistle and Twitch Grass.

Cultivate the field until about the middle of June, running over it frequently with a cultivator so as to keep the tops down and thus weaken the "roots." A cultivator with broad points should be used, which will cut off the Sow Thistle or Twitch Grass below the surface of the ground and not break up the rootstocks too much. About the middle of June apply manure at the rate of about twenty tons per acre (twelve good loads.) Cultivate the manure in thoroughly and with a double mould board plough slightly ridge up the land, making the ridges about twenty-six inches apart. On the ridges sow pasture rape (Dwarf Essex variety) at the rate of about one and a half pounds per acre. It is important that the right amount of rape be sown for if too little is sown the stand will not be thick enough to smother the weeds; and if, on the other hand, too much is sown the rape plants will be too crowded and now grow vigorously enough to keep ahead of the twitch grass or sow thistle. Sow the rape when the land is sufficiently moist to secure quick germination of the seed. If the rape is slow in starting the twitch grass or sow thistle may get a hold in the rows and thus necessitate hand cultivation. Cultivate the rape every week or ten days until it occupies all the ground and makes further cultivation impossible. If the rape is cut or pastured, any of the weeds remain, the field should be ridged up last thing in the fall and sown with another hoed crop the following year. This has not been found necessary when a good stand of rape has been secured.

Eradication of Bladder Campion or Cow Bell.

Badly infested fields should be ploughed deeply in the fall and then cultivated and cross-cultivated with a broad-shared cultivator in order to break up and weaken the underground rootstocks. In the spring this cultivation should be repeated frequently enough to prevent the plant making any growth above ground until it is time to put in a hoed crop, which must be kept thoroughly clean in order to be effective. A well cared for corn crop planted in hills so that it can be cultivated both ways has been found to give excellent results. Special attention must be given to hoeing out any bladder campion plants which may appear in the corn crop and which are not destroyed by cultivation. One fall and one spring's thorough cultivation followed by a well cared for hoed crop has been found to destroy practically all the bladder campion in a field except in exceptionally wet seasons.

Preventing Mustard Seeding In Cereal Crops.

Iron sulphate or Copperas can be successfully used to destroy mustard in standing grain without injury to the crop. 10 per cent. solution should be applied. This can be prepared by dissolving 10 pounds of iron sulphate in forty gallons of water. Iron sulphate is dissolved quite readily in cold water. The solution should be strained through a cheese cloth, as it is put into the spray pump tank. This will remove dirt and small particles that are apt to clog the nozzles.

Apply on a calm clear day just as the first few plants in the fields show flowers. It is very important to spray early. If the buds are left too long the treatment is not nearly so effective. If a heavy rain comes within twenty-four hours after the solution is applied, it will be necessary to spray again.

How to Apply the Solution.

An ordinary hand pump barrel sprayer, such as is employed to spray fruit trees, may be used, or a potato sprayer can be rigged up to do this work. Many of the up-to-date sprayers have a special broadcast attachment for spraying weeds. These are excellent for large areas, as they cover a wide strip at each round. Care must be taken to see that every Mustard plant is wet with the spray solution in the form of a fine spray. —J. E. Howitt, O.A.C., Guelph.

The sluggard will not plough by reason of the cold; therefore shall he beg in harvest and have nothing. —Prov. 20-4.

Farming is a business; agriculture is a science. The tiller of the soil who blends these two is the man to whom the future offers success.

Onions for Beauty.

Nothing is better for the complexion than fresh fruit and vegetables.

Oranges and apples are good for clearing the blood; so are cress and celery. Fruit has the best effect if eaten first thing in the morning.

The finest vegetable to eat if you want a nice complexion is the onion, which contains sulphur, and also has a laxative tendency. Spinach and tomatoes contain iron, and should bring color to the pallid cheek. Cabbage purifies the blood, as do other green vegetables and acid fruits.

There is nothing like the lemon, the juice of which can be taken in any form, as another fine complexion improver. Hot lemonade sipped just before going to bed, is a splendid cure for sleeplessness. If taken cold and sipped in the morning it will brighten the eyes and cure constipation.

The use of drugs and cosmetics will never give you a clear skin; you can only obtain this by keeping in perfect health, and the eating of plenty of fresh fruit and vegetables will help to this end.

Remember, however, that it is useless eating fruits that disagree with you, for what suits one person may not suit another.

World's Smallest Fish.

Probably the smallest fish in the world are to be found in the mountain lake Buhi, in the Island of Luzon, Philippines. This fish, which the natives call the sinarapan, is the most minute vertebrae animal known to science. It weighs only half a grain, and half an inch is its maximum length. The natives catch it with a net of exceedingly fine mesh —scarcely more than a coarse cloth, which is used as a sieve. In this manner great quantities of the tiny fishes are captured, and being dried in the sun without any other cooking, are seasoned with pepper and other spices and pressed into flat round cakes. Inasmuch as a single cake contains from 2,000 to 3,000 fishes, the smallness of the latter will be realized. It would be a native with a meager appetite who could not dispose of 10,000 of the tiny creatures at a meal. There is a suspicion that the fish in question is practically extinct for several months in every year, like certain annual plants. Meanwhile the eggs, which are so small that 1,200 of them placed in line are required to measure one inch, are incubating for the production of the next generation.

Valuable Beards.

Beards among the Jews were considered sacred. They are still regarded with a curious significance by the Chinese people in different parts of the world. On the other hand, the Chaymas are almost beardless, the latter will be noticed, as are the Mongol nations. They pluck out the few hairs which appear; but independently of that practice most of the natives would be nearly beardless. The value assigned, among the Anglo-Saxons, to hair was proportionately very high, the loss of the beard entailed at twenty shillings, while the breaking of a thigh was fixed at only twelve. In Germany clean-shaving was almost unknown a few years ago, except to servants, actors, and priests. But the German student imitates English habits.

Lights as Thanksgiving.

For fifty years seven lights have burned day and night in front of a statue of the Blessed Virgin in one of the Roman Catholic churches in Chicago. These lights commemorate the escape of the edifice from destruction in the great fire of 1871.

The Walrus.

The walrus furnishes about 1,500 pounds of meat, 1,000 pounds of oil and 500 pounds of leather, and the white whale furnishes much more.

Napanee Chautauqua Commences on Wednesday, August 1st, and Ends Tuesday, August 7th

The Programme promises to the people of Napanee and vicinity one of the greatest oportunities that have been offered Canadian citizens. Here are two items :—

JUDGE ALDEN AT CHAUTAUQUA

Well-Known Lecturer to Speak on Vital Topic.

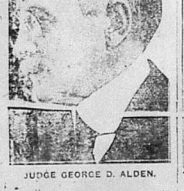
"Price of the Hour" Subject of Masterly Address on Questions of Moment.

Judge George D. Alden of Boston, one of the leading lecturers on the Chautauqua platform today, will be the headline speaker at the coming Dominion Chautauqua.

Judge Alden is essentially "human." Look in his thinking and in what he has to say.

Humor of premier quality is one of the notable characteristics of an Alden lecture. Facts are lightened with theory, philosophy with fun.

"The Needs of the Hour" will be the subject upon which Judge Alden will speak here. Into this lecture he has put the results of years of study, observation and travel, and he tells in his own inimitable way his reactions to present-day conditions.



JUDGE GEORGE D. ALDEN.

Notable Community-Building Lecture at the Chautauqua

Frank Preston Johnson, newspaperman, sociologist and lecturer, will deliver a notable address at the coming Dominion Chautauqua. He will discuss current social and economic problems, especially those relating to co-operation between the town and the farm.

Mr. Johnson is a newspaper man who has made investigations in many localities. What he has to say is presented with the clarity of the trained reporter who is interested only in giving the facts.

A Johnson lecture is always constructive. It never fails to point the way to community prosperity and is always full of illustrations of communities that have surmounted the barriers and are going forward.

Mr. Johnson not only knows the needs of the average community but offers a program of genuine construction with concrete plans for its realization.

HELP FOR YOUNG WOMEN

Mrs. Holmberg Tells How Lydia E.Pinkham's Vegetable Compound Helped Her

Viking, Alta.—"From the time I was 15 years old I would get such sick feelings in the lower part of my abdomen, followed by cramps and vomiting. This kept me from my work (I help my parents on the farm) as I usually had to go to bed for the rest of the day. At times I would have to walk the floor. I suffered in this way until a friend induced me to try Lydia E. Pinkham's Vegetable Compound. I have had very satisfactory results so far and am recommending the Vegetable Compound to my friends. I surely am glad I tried it for I feel like a different person now that I don't have those troubles."—OBELIA HOLMBERG, Box 93, Viking, Alta.

Letters like this establish the merits of Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and today holds the record of being the most successful remedy for female ills in this country, and thousands of voluntary testimonials prove this fact.

If you doubt that Lydia E.Pinkham's Vegetable Compound will help you, write to the Lydia E. Pinkham Medicine Co., Cobourg, Ontario, for Mrs. Pinkham's private text-book and learn more about it. C

WISE AND OTHERWISE.

"Every day, from sun-up till midnight," growled ma, who had just finished the dishes and was sitting down to the family mending.

Protect the child from the ravages of worms by using Mother Graves' Worm Exterminator. It is a standard remedy, and years of use have enhanced its reputation.

Mother—Are you really sure that you love him?

Daughter—Don't be so naive, mother. When one has the experience of three engagements, as I have, one knows the symptoms.

A Prime Dressing for Wounds. — In some factories and workshops carbolic acid is kept for use in cauterizing wounds and cuts sustained by the workmen. Far better to keep on hand a bottle of Dr. Thomas' Eclectric Oil. It is just as quick in action and does not tear the skin or burn the flesh.

Judge—Why were you speeding?

Prisoner—It was like this, your Honor. The next town was ten miles away and I only had enough gas in the tank to go three miles, so I put on full speed so we could make that fifteen miles before the gas gave out.

Muscular Rheumatism Subdued. — When one is a sufferer from muscular rheumatism he cannot do better than to have the parts rubbed with Dr. Thomas' Eclectric Oil. Let the rubbing be brisk and continue until ease is secured. There is more virtue in a bottle of it than can be fully estimated.

Mother—I've tried so hard to make you a good child, Dorothy, but in spite of all my efforts you are still rash and naughty.

Dorothy—What a failure you are, mother.

Dread of Asthma makes countless thousands miserable. Night after night the attacks return and even when brief respite is given the mind is still in torment from continual anticipation. Dr. J. D. Inexpensive and sold almost everywhere.

"Yes, I am retiring from public life on account of sickness," said the old job holder.

"Well, I must say you look pretty healthy to me," replied his friend.

"Oh, I am well enough," he answered, "but both my party and the public are sick of me."

One of the most effective vermifuges on the market is Miller's Worm Powders. They will not only clear the stomach and bowels of worms, but will prove a very serviceable medicine for children in regulating the infantile system and maintaining it in a healthy condition. There is nothing in their composition that will injure the most delicate stomach when directions are followed, and they can be given to children in the full assurance that they will utterly destroy all worms.

Shooting Cause of Prohibition

Col. Duncan Brown Cooper, who died in Nashville, Tenn., recently, is credited with being the man who had more to do than any other individual in giving the United States national prohibition. Col. Cooper's contribution was unintentional and consisted in shooting ex-Senator Edward W. Carmack, of Tennessee. Nor did he shoot Carmack because the former Senator was a leader of the anti-saloon forces while Cooper played as a rule with the liquor interests. He shot him primarily because Carmack called him "baldy." When Carmack referred to Cooper as bald he was well within the truth, for bald Cooper was. This fact did not make him less sensitive, however, and having heard that the taunt hurt, Carmack repeated it a hundred times. He referred to Cooper as "an ascetic," and asked whether of light or darkness. Beneath this question lurked an insult, for Cooper's father had once owned numerous slaves, and Carmack intended a slur on his birth.

Cooper came of a distinguished Southern family and fought through the Civil War. He was named as a gentleman gambler, and after one all-night session, when hundreds of thousands of dollars changed hands, he found himself in possession of a controlling interest in the Nashville American. Hitherto he had paid little attention to politics, but ownership of the paper forced it upon him and he became an adept manipulator, and eventually grew to be a political force in the South comparable to Henry Watterson. Soon after he became owner of the American he grew dissatisfied with his editor and at the same time was struck by the work some unknown was doing on a little weekly paper up state. So he sent for the author and made him editor. The young man was Carmack, who had read law but was struggling with poverty. The young editor was a man of unusual gifts. He put new life in the American. Presently he was being quoted in many of the large papers of the country. Cooper congratulated himself upon a find.

Despite considerable disparity in their ages the proprietor and his brilliant editor became close friends. Cooper sympathized with Carmack's political ambitions and the latter soon won more than a local reputation as a speaker. Their close relationship continued even after Carmack left Cooper to become editor of a more important paper in Memphis. He was a candidate a couple of times for the Legislature, but without success. Then in 1901 the tide turned and Carmack became a United States Senator. He went to Washington, where Cooper maintained headquarters, and it was not long before he was one of the most conspicuous members of the Senate. He was its most caustic speaker. His words cut like a whip. He seemed to possess an almost diabolical talent for finding a man's surest spot and then never letting the thong of his tongue stray from it. He was a lone figure because of his capacity for making enemies and was about the only Senator who from first to last refused to come under the spell of Roosevelt. It is said that he was the only man before whom Roosevelt quailed.

Cooper was a fiercely more genial character and became an admirer of Roosevelt though politically opposed to him. It is said that this difference over the President was the first discord between the two politicians from Tennessee. As the next election approached it became apparent that Carmack was building up a political machine of his own which threatened to reduce that of Cooper to the scrap heap. The interests of the two men were no longer identical. In 1906 came the open break. Cooper espoused the cause of Carmack's opponent and Carmack was beaten. Then in a contest for the Governorship the Cooper candidate defeated the Carmack candidate. The men were enemies and Carmack had begun his attacks upon Cooper. Up to this time they had not been divided upon principles, but now the Anti-Saloon League began to take a hand in Tennessee politics and the issue was whether the state should continue under local option or become suddenly dry.

While Carmack was never a prohibitionist he perceived that an organization ready to his hand and he associated himself with it. But he was defeated. The Anti-Saloon League, however, became more militant than ever, and Carmack more vitriolic in his newspaper attacks upon Cooper. One day he wrote a short editorial consisting of one long sentence that more deeply offended Cooper than any that had preceded it. The next day Cooper and his son met Carmack on the street. There was shooting. Carmack dropped with a bullet through his heart. The younger Cooper was wounded in the shoulder. The older man had not fired a shot, though he had drawn his revolver. The Coopers were tried for murder, were convicted and immediately pardoned The Anti-Saloon forces were enraged. They regarded Carmack as a martyr to their cause. Thus he was advertised after death all over the United States. His death made prohibition a reality in Tennessee and perhaps more than any other single incident made it more or less of a reality in the United States.

Oxygen.

When the process of making oxygen from air becomes cheaper, it is predicted that an enormous demand for the gas will arise. Just as oxygen is now used for welding and other purposes in which great heat is desired, not greatest activity speedily, so it will be required for smelting and a hundred other purposes.

The New Master of the Road

Marked comforts, refinements and the most complete equipment characterize the McLaughlin-Buick "Master Six" five-passenger touring car and heighten those splendid qualities of appearance, riding ease and power that have made this model so often imitated.

The time-proven McLaughlin-Buick cantilever spring has been given an entirely new suspension that absolutely does away with any need for rear snubbers or shock absorbers. The famous McLaughlin-Buick Valve-in-Head engine, the clutch, the body construction—all evidence the painstaking care invested to make this car a master.

Standard equipment includes nickel-plated, double-bar spring bumper, drum type head and cowl lamps, rear vision mirror, new walnut instrument board, steering wheel and body trim, aluminum scuff plates, combination tell and stop light, cowl ventilator, transmission lock, etc.

There are 15 McLaughlin-Buick Models to Choose From

NAPANEE'S LEADING BARGAIN STORE

Now our Sale is over, but our prices are not changed any. If we were to mention prices of all articles in our store, space in our advt. would not hold it.

We have just opened one of the largest shipments of

Agateware and Glassware

ever arrived at this store. Come in and look them over, as they will not last long at the price we put on them.

Overland Sturdy--Comfortable Powerful

YET A MARVEL OF ECONOMY

AT present low prices the Overland provides comfortable, reliable motoring at the lowest cost for which such motoring can be had. The Triplex Springs absorb shock and side-sway, and prolong the life of the car. The motor returns twenty-five miles—and with some drivers thirty miles or more—to the gallon of gasoline. The gear shifts easily, steering becomes second nature, the driver's seat is comfortable, and the good looks of the Overland commend it everywhere.
